The vendor has started work in 5 blocks and completed duct laying for only 100km out of 222 Km. But, the vendor did not start any work in Satchand and Silachari block (57 GPs, 82 RKM) so far. A number of meetings had been conducted with the vendor to pull up the progress and start the work in the above 2 Blocks (Kindly refer MOM as referred above).

Since the target to complete Phase-1 work (wherein the above two blocks are also included) is December 2017, as per the decision taken by the Empowered committee (as referred at 4 above), no further delay is permissible and it has been decided in last meeting dtd. 31.8.16, with the vendor, that the work in 2 blocks will be done by other agencies. However the vendor will continue the work in other 5 Blocks of the district.

An open tender with the tendered cost of Rs. 1.24 Cr (SOR is attached for ready reference) and with the same terms and conditions of the latest tender of NOFN, has to be conducted with 21 days notice immediately for these two blocks, so that the work can be awarded to other agencies and target can be achieved.

Hence necessary approval of competent authority is being sort for-

- 1) Short closing of the contract by removing the scope of work of 2 Blocks viz. Satchand and Silachari.
- 2) Conducting of open tender with the tendered cost of Rs. 1.24 Cr in 21 days notice period.
