Corrigendum -II

- Sub:** Request for proposals for “Supply, Installation, Testing & Commissioning of Central Infrastructure for Telepresence Services at DC & DR of RailTel”.
- Ref:** This office Tender No.RAILTEL/TENDER/OT/CO/ITP/2019-20/Central Infra for TPaaS/500 dated 07.11.2019.

In reference to the above referred tender the following amendment are issued under the Corrigendum-II. The bids may be submitted in consideration of this amendment.

1. Under clause 3 of Chapter-4, Long Term Maintenance Support is required for 4 years. Therefore, same may be read as 4 years in place of 3 years.

Note: Tenderer shall provide AMC support for 4 years after successful completion of warranty obligation of 60 months.

2. Chapter 4, Added New clause, Clause No 44 Proof of Concept (POC):

If required, POC (Proof of concept) at RailTel premises for the offered Equipment shall be done at the time of technical evaluation. The eligibility of offer will be considered only after satisfactory POC of the offered Equipment for verifying the technical specifications. It is bidder's responsibility to coordinate with OEM for POC without any cost to RailTel. Bidder has to conduct the POC within two weeks from the date of intimation. In case bidder fails to conduct POC within specified time period (two weeks), the offer will not be technically qualified.

Other terms and conditions will remain same.
