The kiosk will be equipped with proper lighting arrangement, power points, lockable almirah and lockable racks to put money/valuable items. The material to be used in fabrication should be durable and having life of approx. minimum 10 years. The kiosk will be installed at concourse area of the railway stations (indoor). The kiosk will have 3 sides open having lockable windows in open sides. The kiosk should have printing, mounting and installation of Digital Branding viz, posters placards logos etc. Kiosk should also equip with proper sitting arrangement having 1 chair with 4 castors. Kiosk should have raised Platform made of wooden rafters steel lattice and flooring completed with Ceramic tiles Tough Matt Surfacing.

To execute the project in a timely and professional manner. Selected Bidder shall use commercially reasonable efforts to provide the Services under this Agreement during all days without any interruption in accordance with industry standards, except where such interruption arises out of, results from, or is related to an event of Force Majeure or other cause or circumstances beyond the reasonable control of BIDDER.

The Bidder who will be assigned to undertake the work order for fabrication and installation of RailWire Saathi Kiosks by RailTel, to be termed as a Successful Bidder shall undertake the following work:

- a) The kiosks will be fabricated and installed with the same design, equipment and materials etc. Design as per ANNEXURE- H.
- b) Proper leveling of ground (platform) should be done before installation of RailWire Saathi Kiosk.
- c) Being a turnkey contract, the Bidder will be responsible for any type of construction and installation of kiosk as per design and specification given by RailTel.
- d) Bidder will hand over kiosk and all electrical equipment (along with required LED/Tube lights etc) in running condition.
- e) Any type of pipeline / wiring / civil work required for getting electric connection inside/outside of the kiosk from the point of provision will be done by Bidder.
- f) Procurement of the material as per tender specification will be the responsibility of the Bidder.
- g) Any type of manufacturing defects in the construction material will be replaced by the Bidder at his own expense for contracts awarded by RailTel.
- h) Bidder will be responsible for rectification of any defects in structure for the period of 12 months from the date of handing over to RailTel at his own cost for the contracts awarded by RailTel.
- i) All expenses towards transportation of the material to respective Railway Station shall be borne by the Bidders.
- j) The material which will be used in the Kiosk manufacturing should be of highest standard.

2.1 MATERIAL/TECHNICAL SPECIFICATION

S. No	Description	Re
1	Kiosk Floor shall be raised 30 mm from the RCC platform level, separating it from the level of the RCC railway platform thereby making the kiosk dirt and water-resistant. Floor tiles: Ceramic floor tiles 600 mm x 600 mm, 8 mm thick.	Essential Criteria
2	Wall: Supply of vertical superstructure where walls are made of 50mm thick Polyurethane Rigid Foam insulated panels with 0.4 mm thick coated steel (Yield Strength Minimum 250 MPa) at both the surfaces. The inside layer has the Wood finish steel with 5 layers of coating with RMP (Regular Modified Polyester) technology where in the steel is first coated with Galvanized layer of 120 g per sqm. This will provide longevity to structure. Following are further layers of coating done during RMP coating on steel after galvanization. Back Coating – 0.5 to 1 Micron Base Metal (GI) – 0.45 to 0.5 mm, 120 GSM GI. Chemical Treatment – 0.05 to 1Micron Primer – 5 Micron Base – 15 Micron Printing - 1.2 Micron Clear- 5 Micron Protective Film- 50 Micron The outer steel surface will be of white with color code RAL 9002 RMP coating. The Wall Panels shall have provision for concealed wiring, Tongue and Groove jointing with Cam-lock mechanism. Insulation: Polyurethane Rigid Foam formed in place with density 40KG/Cum. Anchor Fastener: 10 mm diameter 60 mm length anchor @ 300 mm c/c shall be used for fixing bottom channel with the existing RCC floor on which building will be made. Base Channel/Angle : A Base Channel (40x40x53 mm) or Angle (50x50 mm) Galvanized with Powder coated of 1.2 mm thick is fixed on the foundation slab. Accessories : Aluminum POP Rivet (Diameter : 5 mm Length : 18 mm) Joint Filling : Hybrid Sealant at different joints.	Essential Criteria
3	Roof : Mono-Sloped, corrugated leak proof roofing with Polyurethane Rigid Foam (Density , 40 Kg/Cum) based insulated steel panels where the top layer steel sheet is 0.5 mm PPGL (Pre- Painted Galvalume) and the bottom layer steel sheet is 0.5 mm PPGL(Pre-Painted Galvanized). The corrugation thickness is 30mm and 60 mm . Each top Sheet is overlapped at joints. Hybrid Sealants shall be applied at different joints. Anti-reflective paint may be provided for cooling.	Essential Criteria

4	Supporting Steel and Flashing: Minimum 1.5 mm GI Steel with powder coating.	Essential Criteria
5	False Ceiling : PVC False ceiling for enhanced aesthetics. Tongue and Groove joint fixed with Gypsum Screw with length 18 mm, 3mm diameter. Each panel of the PVC ceiling shall be 250 mm wide.	Essential Criteria
6	Electrical : One Ceiling Fan, Four LED Lights of 12 Watt, One main MCB 10 Amp to 16 Amp, Switches 6 Amp, two plug points. Concealed wire conduits and electrical fixtures. There would be modular switches. All the electrical wiring shall be concealed. All electrical items shall be ISI marked.	Essential Criteria
7	Door: Steel Door, 40 mm thick with Honey Comb Paper sandwiched by steel sheet with 0.6 mm thickness. Steel Door Frame made with 1.2 mm thick steel frame along with GI with Powder coating. SS Hinge ISI marked, and door Lock. Door (2100 x 800 mm) shall be made in two parts, the lower part will be 30" height from the bottom. The upper part will have the arrangement to fix it with adjacent wall after opening the door. Both Parts shall have individual handle, hinge and locking arrangements.	Essential Criteria
8	There will be two windows at side and one main counter window. a) The front(or Counter window) window frame 4 feet x 6.5 feet approximately will be made of GP (Galvanized plain sheet minimum steel thickness 1.2 mm with minimum 120 GSM galvanization) with sliding window covers which will be made of 40 mm thick coated steel panel with Honey Comb Paper, similar to the door leaf. There will be window grill made with GP (Galvanized plain sheet minimum steel thickness 1.2 mm with minimum 120 GSM galvanization) to enhance the safety and security. The counter window shall have circular branding of RAILWIRE SATHI from the outside. b) The two side windows (Approximate size 1186 mm x 600 mm height) will have steel grills and frame (both grill and frame shall be made with GP (Galvanized plain sheet minimum steel thickness 1.2 mm with minimum 120 GSM galvanization). Both the windows will have open able covers (Galvanized plain sheet minimum steel thickness 1.2 mm with minimum 120 GSM galvanization) which can be opened towards the inside of the kiosk and that same will act as counter at two sides. The covers will be made of GP Steel plates (Galvanized plain sheet minimum steel thickness 1.2 mm with minimum 120 GSM galvanization) and frames.	Essential Criteria
9	Anchor Fastener: 10 mm diameter 60 mm length anchor @ 300 mm c/c shall be used for fixing bottom channel with the existing RCC floor on which building will be made.	Essential Criteria
10	Print/Posters: Developing, printing (minimum 80 GSM with lamination) and installation of print branding viz. posters, message boards and feature list. RailWire Saathi Concept logos will be fixed. Total branding area shall be minimum 100 sqft	Essential Criteria

11	Supply of one revolving chair and two Steel cabinets with drawers (size 1 feet x 1.5 feet x 1.5 feet depth with drawer height 0.5 feet). There shall be one wooden counter table (6 feet long x 2 feet wide) at the counter window. The Cabinets and drawers shall be placed at two sides for the convenience of the person sitting on the chair and attending the counter.	Essential Criteria
12	Additional Foundation in platform where RCC Floor is not available: 150 mm thick RCC (1:2:4) with single layer 8 mm diameter reinforcement steel @ 250 mm C/C. Size of the foundation shall be 10 feet X 10 feet. Base layer has to be paved with one layer of BFS (Brick Flat Soling) (refer drawing of Annex J)	Essential Criteria

3 FABRICATION AND INSTALLATION OF KIOSK

- (i) The Bidder shall extend all necessary coordination to obtain any or all permission and/or clearance from any/ all authorities, government or otherwise along with RailTel for getting the space & installation of Kiosk at rural Railway Stations.
- (ii) Neither RailTel nor the Bidder shall be liable for any inability to fulfill their commitments and obligation hereunder occasioned in whole or in part by Force Majeure occurrence shall be notified to the other party within 15 days of such party may be entitled to, though not being obliged to terminate this agreement.
- (iii) The Bidder shall install/erect the kiosks strictly as per the approval given by the RailTel. The architecture and structural arrangements of kiosk shall be strictly as per RailTel's specifications. The quality of kiosks shall be of very high standards and it should not spoil the look/aesthetics of the Railway Stations. If in the opinion of RailTel, the quality/standard of kiosk is not up to the mark, RailTel may instruct replacement of such kiosk and the same shall be binding on the Bidder. No alteration in the kiosk including electric installations and wiring shall be made by the Bidder without the prior permission of RailTel in writing.

4. RATES & Taxes

Tax variation:

- 4.1** Any changes in the statutory taxes & duties during the contract period shall be on RailTel account with in the original DOC. Beyond DOC, changes in statutory taxes & duties shall be on RailTel's account only when the delay is an account of RailTel.
- 4.2 GST:**
 - 4.2.1** The price quoted in the offer should be firm, fixed indicating the breakup and inclusive of all taxes & duties like import, custom, Anti-Dumping, CGST, SGST, IGST, UTGST etc. The offer should be inclusive of packing, forwarding, freight up to destination, insurance charges.
 - 4.2.2** Bidder shall issue valid tax invoice to RailTel for availing proper credit of CGST, SGST,

IGST, UTGST incase of award of Contract. GST will not be reimbursed in the absence of valid tax invoice.

- 4.2.3** For all the taxable supplies made by the vendor, the vendor shall furnish all the details of such taxable supplies in the relevant returns to be filed under GST Act.
- 4.2.4** If the vendor fails to comply with any of the above, the vendor shall pay to purchaser any expense, interest, penalty as applicable under the GST Act.
- 4.2.5** In case of incorrect reporting of the supply made by the vendor in the relevant return, leading to disallowance of input credit to purchaser, the vendor shall be liable to pay applicable interest under the GST Act to the credit of purchaser. The same provisions shall be applicable in case of debit/credit notes.
- 4.2.6** Tenderer shall quote all inclusive rates, but there shall be break up of basic price and all type of applicable taxes such as CGST,SGST,IGST, UTGST along with respective HSN/SAC Code under GST Law (including tax under reverse charges payable by the recipient).
- 4.2.7** Wherever the law makes it statutory for the Purchaser to deduct any amount towards GST at sources, the same will be deducted and remitted to the concerned authority.
- 4.2.8** In regards to work contract, the tenderer should have registration no. for GST in respective state where work is to be executed and shall furnish GST registration certificate along with Tender.
- 4.2.9** The imposition of any new tax and/or increase/in the aforesaid taxes, duties levies, after the last stipulated date for the receipt of tender including extensions if any and the bidder there upon necessarily and properly pays such taxes/levies/cess, the bidder shall be reimbursed the amount so paid, provided such payments, if any, is not, in the opinion of RailTel attributable to delay in execution of work within the control of bidder. The bidder shall, within a period of 30 days of the imposition of any such tax or levy or cess, give a written notice thereof to RailTel that the same is given pursuant to this condition, together with all necessary information including details of input credit relating thereto. In the event of non-payment/ default in payment of any of the above taxes, RailTel reserves the right to withhold the dues/payments of bidder and make payment of State/Central Government authorities as may be applicable. However, if the rates are reduced after the last stipulated date for receipt of tender, bidder has to pass on the benefits to RailTel.
- 4.2.10 In case of imported equipment:-**
Anti-Dumping duty if applicable on the equipment proposed to be supplied by OEM/Tenderer as per extant instructions of Ministry of Commerce/Finance Government of India, has to be borne by the tenderer and shall be deducted from the amount payable to the bidder at the time of making payment to the firm, if this duty amount is paid to Custom Authority by RailTel.

4.2.11 Evaluation Criteria:

Inter se position of the offers will be determined on total unit rate on CIP destination basis which will include basic rate, custom duty, CGST,SGST,IGST,GST, freight , insurance and any other charge or cost quoted by the tenderer, including GST payable.

On reverse charge by RailTel, wherever applicable.

5. BIDDING PROCESS

E-tendering Instructions to Bidders

General

For E-Tendering bids /information by bidders is to be submitted “Online” on TCIL’s e-Procurement Portal. Any document / information pertaining to this tender will have to be submitted by the bidder ON LINE. The digital signature of the tenderer on the e-tender form will be considered as confirmation that the tenderer has read, understood and accepted all the documents, unless special deviation is quoted by the tenderer in the technical & commercial deviation templates.

PLEASE NOTE

THE TENDERERS MAY DOWNLOAD TENDER FORM FROM THE WEB SITE ‘www.railtelindia.com’ OR FROM THE E-TENDERING PORTAL ‘<https://www.tcil-india-electronictender.com>’, AND SHOULD ENCLOSE COST OF THE TENDER FORM ALONG WITH THE OFFER IN THE FORM OF DD IN FAVOUR OF RAILTEL CORPORATION OF INDIA LTD payable at NEW-DELHI.

NOTE: For online bid submission the tenderer will have to necessarily download an official online copy of the tender documents from TCIL’s e-procurement portal, and this should be done well before the deadline for bid-submission.

Submission of Bids only through online process is mandatory for this Tender.

E-Tendering is a new methodology for conducting Public Procurement in a transparent and secured manner. Now, the Government of India has made e-tendering mandatory. Suppliers/ Vendors will be the biggest beneficiaries of this new system of procurement. For conducting electronic tendering, RailTel has decided to use the portal <https://www.tcil-india-electronictender.com> through TCIL, a Government of India Undertaking. This portal is based on the most ‘secure’ and ‘user friendly’ software from Electronic Tender®. **A portal built using Electronic Tender’s software is also referred to as Electronic Tender System® (ETS).**

Benefits to Suppliers are outlined on the Home-page of the portal.

1. Tender Bidding Methodology:

Sealed Bid System - ‘Single Stage – Two Envelope’: In this, bidder has to submit both Technical as well as Financial bid in separate envelope “ONLINE.”

2. Broad outline of activities from Bidders Perspective:

1. Procure a Digital Signing Certificate (DSC)
2. Register on Electronic Tendering System® (ETS)
3. Create Users and assign roles on ETS
4. View Notice Inviting Tender (NIT) on ETS
5. Download Official Copy of Tender Documents from ETS (Important)
6. Clarification to Tender Documents on ETS
 - Query to RailTel (Optional)
 - View response to queries posted by RailTel, as addenda.
7. Bid-Submission on ETS
8. Attend Public Online Tender Opening Event (TOE) on ETS. -
9. View/Post-TOE Clarification posted by RailTel on ETS (Optional), Respond to RailTel's Post-TOE queries

For participating in this tender online, the following instructions need to be read carefully. These instructions are supplemented with more detailed guidelines on the relevant screens of the ETS.

3. Digital Certificates

For integrity of data and its authenticity/ non-repudiation of electronic records, and be compliant with IT Act 2000, it is necessary for each user to have a Digital Certificate (DC). also referred to as Digital Signature Certificate (DSC), of Class 2 or above, issued by a Certifying Authority (CA) licensed by Controller of Certifying Authorities (CCA) [refer <http://www.cca.gov.in>].

4. Registration

To make use of the ElectronicTender®portal ([https:// www.tcil-india- electronictender. com](https://www.tcil-india-electronictender.com)), vendor needs to register on the portal (if not registered earlier). Registration of each organization is to be done by one of its senior persons who will be the main person coordinating for the e-tendering activities. In ETS terminology, this person will be referred to as the Super User (SU) of that organization. For further details, please visit the website/portal (<https://www.tcil-india-electronictender.com>), and click on the 'Supplier Organization' link under 'Registration' (on the Home Page), and follow further instructions as given on the site.

Pay Annual Registration Fee as applicable.

Note: After successful submission of Registration details and Annual Registration Fee (as applicable), please contact TCIL/ ETS Helpdesk (as given below), to get your registration accepted/activated.

5. Bid related Information for this Tender (Sealed Bid)

The entire bid-submission would be online on ETS.

NOTE: Bidder must ensure that after following above, the status of bid submission must become "Complete" indicating successful submission of the online bid.

6. Offline Submissions:

The bidder is required to submit the following documents offline to RailTel Corporation of India Ltd, Institutional Area Plot 143, Sector 44, Gurgaon. before due date & time of submission of bids specified in covering letter of this tender document, in a Sealed Envelope. The envelope shall bear (the tender name), the tender number and the words 'DO NOT OPEN BEFORE' (due date & time).

a) **EMD-Bid Security** in Original, in favour of Railtel Corporation of India Ltd., Payable at New Delhi. (with Tender No., Name of Firm & Mob. No. written on back side of DD)

b) **DD/ Bankers cheque in original against payment of tender fee** in favour of Railtel Corporation of India Ltd., Payable at New Delhi.. (with Tender No., Due date of Opening of Tender, Name and contact No. of Firm written on back side of DD)

(The bids without accompany EMD and Tender Fee will be summarily rejected.)

c) **Power of attorney** to be submitted in accordance.

d) **In case bidder happens to be a NSIC bidder**, the documentary evidence for same shall be submitted.

NOTE: The Bidder has to upload the Scanned copy of all above original Documents as Bid-Annexures during Online Bid-Submission.

7. Submission of Eligibility Criteria related documents

Eligibility criteria related documents, NSIC certificate and other documents as applicable shall also be scanned and submitted ON LINE. Copy of these documents shall also be submitted in RailTel Office before Tender opening date. Bids without these off line submissions may be rejected.

8. Special Note on Security of Bids

Security related functionality has been rigorously implemented in ETS in a multi-dimensional manner. Starting with 'Acceptance of Registration by the Service Provider', provision for security has been made at various stages in Electronic Tender's software. Security related aspects as regard Bid Submission are outlined below:

As part of the Electronic Encrypter™ functionality, the contents of both the 'Electronic Forms' and the 'Main-Bid' are securely encrypted using a Pass-Phrase created by the Bidder himself. Unlike a 'password', a Pass-Phrase can be a multi-word sentence with spaces between words (e.g. I love this World). A Pass-Phrase is easier to remember, and more difficult to break. It is recommended that a separate Pass-Phrase be created for each Bid-Part. This method of bid-encryption does not have the security and data-integrity related vulnerabilities which are inherent in e-tendering systems which use Public-Key of the specified officer of a Buyer organization for bid-encryption. Bid-encryption in ETS is such that the Bids cannot be decrypted before the Public Online Tender Opening Event (TOE), even if there is connivance between the concerned tender-opening officers of the Buyer organization and the personnel of e-tendering service provider.

Typically, 'Pass-Phrase' of the Bid-Part to be opened during a particular Public Online Tender Opening Event (TOE) is furnished online by each bidder during the TOE itself, when demanded by the concerned Tender Opening Officers who will open the bid. Else Tender Opening Officer may authorize the bidder to open his bid himself. There is an additional protection with SSL Encryption during transit from the client-end computer of a Supplier organization to the e-tendering server/portal.

(Mandatory Additional Methods of passphrase submission):

Additionally, the bidder shall make sure that the Pass-Phrase to decrypt the relevant Bid-Part is submitted to RailTel in a sealed envelope before the start date and time of the Tender Opening Event (TOE) along with other offline submissions.

9. Public Online Tender Opening Event (TOE)

ETS offers a unique facility for 'Public Online Tender Opening Event (TOE)'. Tender Opening Officers as well as authorized representatives of bidders can attend the Public Online Tender Opening Event (TOE) from the comfort of their offices. For this purpose, representatives of bidders (i.e. Supplier organizations) duly authorized are requested to carry a Laptop and Wireless Connectivity to Internet.

Every legal requirement for a transparent and secure 'Public Online Tender Opening Event

(TOE)' has been implemented on ETS. As soon as a Bid is decrypted with the corresponding 'Pass-Phrase' as submitted online by the bidder himself (during the TOE itself), salient points of the Bids are simultaneously made available for downloading by all participating bidders.

ETS has a unique facility of 'Online Comparison Chart' which is dynamically updated as each online bid is opened. The format of the chart is based on inputs provided by the Buyer for each Tender. The information in the Comparison Chart is based on the data submitted by the Bidders in electronic forms. A detailed Technical and/ or Financial Comparison Chart enhances Transparency. Detailed instructions are given on relevant screens.

ETS has a unique facility of a detailed report titled 'Minutes of Online Tender Opening Event (TOE)' covering all important activities of 'Online Tender Opening Event (TOE)'. This is available to all participating bidders for 'Viewing/ Downloading'.

There are many more facilities and features on ETS. For a particular tender, the screens viewed by a Supplier will depend upon the options selected by the concerned Buyer.

NOTE: In case of internet related problem at a bidder's end, especially during 'critical events' such as - a short period before bid-submission deadline, during online public tender opening event, during e-auction, it is the bidder's responsibility to have backup internet connections.

In case there is a problem at the e-procurement/ e-auction service-provider's end (in the server, leased line, etc) due to which all the bidders face a problem during critical events, and this is brought to the notice of RailTel by the bidders in time, then RailTel will promptly re-schedule the affected event(s).

10. Other Instructions

For further instructions, the vendor should visit the home-page of the portal (<https://www.tcil-india-electronictender.com>), and go to the User-Guidance Center.

The help information provided through 'ETS User-Guidance Center' is available in three categories - Users intending to Register / First-Time Users, Logged-in users of Buyer organizations, and Logged-in users of Supplier organizations. Various links are provided under each of the three categories.

Note: It is strongly recommended that all authorized users of Supplier organizations should thoroughly peruse the information provided under the relevant links, and take appropriate action. This will prevent hiccups, and minimize teething problems during the use of ETS.

11. The following KEY INSTRUCTIONS for BIDDERS' must be assiduously

Adhered to:

1. Obtain individual Digital Signing Certificate (DSC or DC) well in advance of your first tender submission deadline on ETS.
2. Register your organization on ETS well in advance of your first tender submission

deadline on ETS.

3. While registering your organization on ETS Portal of TCIL, pl. make sure that the email id of Super user provided for registration and email-id on which Digital Signature Certificate of the Super user is issued are exactly the same.
4. Get your organization's concerned executives trained on ETS well in advance of your first tender submission deadline on ETS.
5. Bidder should ensure that **official copy of tender document** has been downloaded by clicking the radio button for confirmation else e-Procurement system will not permit the bidder to participate in the tendering process.
6. Submit your bids well in advance of tender submission deadline on ETS as there could be last minute problems due to internet timeout, breakdown, etc.

12. Minimum Requirements at Bidders end

- Computer System with good configuration (Min P IV, 1 GB RAM, Windows XP)
- Broadband connectivity.
- Microsoft Internet Explorer 6.0 or above
- Digital Certificate (s) for users.

13. Vendors Training Program

One day training (10:00 to 17:00) on how to use the ETS Portal for e-Tendering would be provided. Training is optional. However, if a vendor has not already attended ETS Vendor Training earlier, it is highly recommended that the vendor attends this training positively to be able to submit the e-Tender smoothly without any problem.

Vendors are requested to carry a Laptop and Wireless Connectivity to Internet while attending the ETS Vendor Training..

Tentative Dates Date of uploading of Tender document + 7 days

Venue :RailTel Corporation of India Limited,
Plot No. 143, Sector-44,
Opp. Gold Souk Mall,
Gurgaon -122003.

Vendors Training Charges: Rs. 2,500/-(Per Participant) per training day (plus GST as applicable).

Mode of Payment of Fees: DD drawn in favour of M/s TCIL, New Delhi & payable at New Delhi.

Some Bidding related Information for this Tender (e-ReverseAuction)

e-Reverse Auction would be conducted after short-listing of qualified bidders.

The following would be the parameters for e-Reverse Auction:

3.	Automatic extension of the 'Reverse-Auction Closing Time', if last bid received is within a 'Predefined Time-Duration' before the 'Reverse-Auction Closing Time'	Yes
3.1	Pre-defined Time-Duration	Within last 10 minutes
3.2	Automatic extension Time-Duration	10 Minutes
3.3	Maximum number of Auto-Extension	Unlimited Extension
4.	Criteria of Bid-Acceptance	Please refer Clause 5.3
5.	Entity – Start-Price	Please refer Clause 5.3
6.	Minimum Bid-Decrement	Rs. 2500/-

Outline of Activities by the Bidders during e-Reverse Auction Event

Other Instructions

For further instructions, the vendor should visit the home-page of the portal <https://www.tcil-india-electronicstender.com>, and go to the **User-Guidance Center**.

The help information provided through 'ETS User-Guidance Center' is available in three categories – Users intending to Register / First-Time Users, Logged-in users of Buyer organizations, and Logged-in users of Supplier organizations. Various links (including links for User Manuals) are provided under each of the three categories.

Important Note: It is strongly recommended that all authorized users of Supplier organizations should thoroughly peruse the information provided under the relevant links, and take appropriate action. This will prevent hiccups, and minimize teething problems during the use of ETS.

SIX CRITICAL DO'S AND DON'TS FOR BIDDERS

Specifically for Supplier organizations, the following '**SIX KEY INSTRUCTIONS for BIDDERS**' must be assiduously adhered to:

1. Obtain individual Digital Signing Certificate (DSC or DC) of Class III or above well in advance of your first tender submission deadline on ETS. **(DSC is required for registration as a bidder at the portal)**.
2. Register your organization on ETS well in advance of the important deadlines for your e-Reverse Auction on ETS 'Date and Time of start of e-Reverse Auction. Please note that even after acceptance of your registration by the Service Provider, to respond to an e-Reverse Auction you will also require time to complete activities related to your organization, such as creation of users, assigning roles to them, etc.
3. Get your organization's concerned executives trained on ETS well in advance of your first e-Reverse Auction on ETS.

Additional DO'S AND DON'TS FOR BIDDERS participating in e-ReverseAuction

1. Get your organization's concerned executives trained for e-ReverseAuction related processes on ETS well in advance of the start of e-ReverseAuction.
2. For responding to any particular e-ReverseAuction, the e-ReverseAuction (i.e. its Reverse Auction Search Code or RASC) has to be assigned to an **MA**.
3. It is important for each bidder to thoroughly read the 'rules and related criterion' for the e-ReverseAuction as defined by the Buyer organization.
4. If applicable for an e-ReverseAuction (such as in case of a Direct e-ReverseAuction which is not preceded by a sealed-bid stage), pay the **Bid Processing Fee** well in advance of the start of e-ReverseAuction bidding.

Broad Outline of Activities from Bidder's Perspective:

1. Procure a Digital Signing Certificate (DSC)
2. Register on ElectronicTendering System ® (ETS)
3. Create **Marketing Authorities (MAs)**, Users. It is mandatory to create at least one MA.
4. To view Reverse-Auction Notice on ETS, kindly follow the underlying sequence:
 - **e-SecureAuction Activities -> Respond to e-Reverse Auction-> List of e-Reverse Auction.**
5. To assign your relevant e-Reverse Auction to an MA, kindly follow the underlying sequence
 - **e-SecureAuction Activities -> Respond to e-Reverse Auction-> List of e-Reverse Auction- > Details-> Assign RASC to MA.**
- 6.. Then proceed to ReverseAuction Overview page :
 - **e-SecureAuction Activities -> Respond to e-Reverse Auction-> e-Reverse Auction Overview**
7. On e-Reverse Auction Overview Page, go to Reverse-Auction Administration section and perform the **Reverse-Auction Activities Authorization** and **Reverse Auction Bidding Event Authorization**.
8. Log into the **Reverse-Auction Room**.

Other:

The bidder will have to submit the Bid in sealed envelopes, duly super scribing "**Tender for Fabrication and Installation of RailWire Saathi Kiosk at 200 rural Railway Stations**". It will contain all the required documents and Annexures mentioned in the tender along with supporting documents. All the documents, Annexures and supporting documents should be duly signed and stamped.

The bid should consist of the following:

- 1) Earnest Money Deposit and Cost of Tender document as specified in this document.
- 2) A letter on bidder's letterhead mentioning the following:
 - a) Details of EMD submitted, technical competence and experience of the bidder.

- b) Certifying that the period of the validity of the bids is 60 days. from bid submission date.
- 3) Each & every page of bid & tender document should be marked with numerical numbers and Signed and stamped by authorized representative of the firm. Power of attorney in favour of the signatory duly authorizing the signatory shall be enclosed in the bid. Page number of documents submitted in their offer must be given in the Check list.
 - 4) Compliance Statement as per Annexure A on bidder's letter head.
 - 5) Bidders Profile Information as per Annexure B on bidder's letter head along with supporting documents.
 - 6) Eligibility Criteria Compliance along with supporting documents as per Annexure C.
 - 7) Compliance of Technical Specifications as per Annexure D.
 - 8) Check List Compliance as per Annexure-E on bidder's letter head.
 - 9) Commercials as per Annexure-F, mentioning component wise costing.

5.1 BIDDING DOCUMENT

The bid document can be downloaded from website: www.tcilindia-electronictender.com and cost of Tender as specified in the bid document should be submitted through non-refundable Demand Draft in favour of 'RailTel Corporation of India Limited' payable at New Delhi at the time of submission of bids along with Technical Bid.

5.1.1 Contents of Bidding Document:

The Bidder is expected to examine all instructions, forms, terms and conditions and technical specifications in the Bidding Documents. Failure to furnish all information required by the Bidding Documents or submission of a bid not substantially responsive to the Bidding Documents in every respect will be at the Bidder's risk and may result in the rejection of its bid. Bidder should strictly submit the bid as per TENDER, failing which the bid will be rejected as non- responsive.

5.1.2 Amendment of Bidding Document:

At any time prior to the last date for receipt of the bid, RAILTEL may, for any reason, whether at its own initiative or in response to a clarification requested by any of the prospective bidder, modify the tender document by an amendment.

The amendment will be notified by posting the same on our official website www.tcilindia-electronictender.com. In order to afford prospective bidders reasonable time to take the amendments into account in preparing their bids, RAILTEL may, at its discretion, extend the target date for the submission of the bid and the same will be notified on the said website.

RailTel reserves the right to increase/decrease the quantity of kiosks, rate, terms and conditions of the initial order without assigning reason and also amend/modify the terms and conditions of Tender.

The successful bidders not adhering to the time frame mentioned in the work order will invite penalty, as fixed by RailTel including Termination of Award.

5.2 PREPARATION OF BIDS

5.2.1 Language of bids:

The bids prepared by the bidder and all correspondence and documents relating to the bids exchanged by the bidder and RAILTEL, must be written in English.

5.2.2 Bid Prices:

Bidder should quote rates per item mentioned in Annexure-F. The quoted price shall be uniformly applicable for delivery/ performance to any part of the country and shall be inclusive of incidental charges such as cost toward boarding, lodging, travel etc.

GST & other applicable local taxes shall be paid over and above on actual basis on production of documentary evidence.

Note: If any taxes to be paid by the RailTel same should be mentioned explicitly. RailTel will not be making any other payment except those mentioned in the commercial bid.

5.2.3 Validity of bids:

Bid shall remain valid for 60 days from date of submission mentioned in this document. A bid valid for shorter period is liable to be rejected by RailTel. The bidders may be required to give consent for the extension of the period of validity of the bid beyond initial 60 days, if so desired by RAILTEL in writing or by email. Refusal to grant such consent would result in rejection of bid without forfeiture of the EMD. However, any extension of validity of bids will not entitle the bidder to revise/modify the bid amount.

5.2.4 Terms and Conditions of the bidder:

The bidders are allowed not to impose their own terms and conditions to the bid and if submitted will not be considered as forming part of their bids. The bidders should also describe clearly in what respect and up to what extent the services being offered differ/ deviate from the specifications laid down in the technical specifications and requirements.

5.2.5 Last date of receipt of bids:

Bids must be received by RAILTEL at the address specified under clause "Bid Details" not later than the time and date specified there in. In the event of the target date for the receipt of bids being declared a holiday for RAILTEL, the bids will be received till the target time on the next working day. RailTel may at its discretion extend the bid submission date. The modified target date & time will be notified in the web site of RailTel.

5.2.6 Deadline for Submission of Bids

Bids must be submitted not later than the specified date and time mentioned in the Bid Document. If specified date of submission of bids being declared a holiday for the Purchaser, the bids will be received up to the specified time in the next working day. The Purchaser may, at its discretion, extend this deadline for submission of bids by amending the bid documents, in which case all rights and obligations of the Purchaser and bidders, previously subject to the deadline, will thereafter be subject to the deadline extended. All the correspondence/bid should be addressed to RAILTEL at the following address:

The Group General Manager/Operations
RAILTEL Corporation of India Ltd.
Plot no.143, Institutional Area,
Sector-44, Gurgaon-122003
5.2.7 Modification and Withdrawal:

Bids once submitted will be treated as final and no further correspondence will be entertained on this. No bid will be modified after the target date & time for submission of bids. No bidder shall be allowed to withdraw the bid. In case of the successful bidder, he will not be allowed to withdraw/back out from the bid commitments. The bid earnest money in such eventuality shall be forfeited and all interests/claims of such bidder shall be deemed as foreclosed

5.3 Evaluation Criteria

1. The bidder has to submit the bid in two separate sealed packed containing technical bid in one envelope and price bid in second envelope at a single stage only at e-procurement portal only.
2. The technical bids of all the bidders will be evaluated first based on the tender conditions/eligibility criteria and the financial bids only of technically qualified bidders will be opened and financial bid TOE will be done in closed format.
3. All the technically qualified bidders will participate in the reverse auction process and RailTel will decide the bench mark / base price for starting the reverse auction based on financial quotation received and evaluated by committee.
4. Date and time of start of RA will be informed by RailTel on TCIL website.
5. Once the reverse auction process is closed the lowest rate received in the reverse auction will be evaluated. RailTel reserved the right not to consider the lowest bid received in the reverse auction process.
6. Technical e-RA training can be opted by the bidder to know the procedure of e-RA (Reverse Auction)
7. RailTel may discharge the tender at any stage without assigning any reason.

In the event of the specified date of bid opening being declared a holiday for purchaser, the bids shall be opened at the specified time and place on next working day. The Purchaser reserves the right to accept or reject any bid without assigning any reason thereof. Decision of the Purchaser in this regard shall be final and binding on the bidders.

RailTel may, if it deems necessary, ask for presentations of the bidder or site visits of their facilities to assess and satisfy itself on manufacturing/supply chain and support capabilities of the bidders.

Bidders will have to submit project plan with timelines accepted by RailTel. In case the bidder is not able to meet the milestones, then RailTel will have the right to reallocate the awarded Railway Stations to other selected Bidders to meet the goals of Tender.

5.3.3 Clarifications of Bids

To assist in the examination, evaluation and comparison of bids the purchaser may, at its discretion, ask the bidder for clarification. The response should be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

5.3.4 Clarification on Tender by bidders

Interested bidders can seek clarification on tender from RailTel by submitting their queries in written. The queries can be submitted as per the contact details given in the Bid Details in the TENDER. However, the queries should be submitted on or before the last date for submission of queries for clarifications as mentioned in bid details.

Any query submitted after the expiry of the time line for submission of queries will be rejected. The response to the queries shall be placed on the RailTel websites www.railtelindia.com.

5.3.5 Bid Currency:

Prices shall be expressed in Indian National Rupees only.

5.3.6 Preliminary Examination of Bids:

Arithmetic errors will be rectified on the following basis. If there is a discrepancy between unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and total price shall be corrected. If there is discrepancy between words and figures, the amount in the words will prevail. The bid determined as not substantially responsive will be rejected by the purchaser.

5.3.7 Contacting the Purchaser

Any effort by a bidder to influence the Purchaser in evaluation of the bid, bid comparison or contract award decision may result in the rejection of the bid. Purchaser's decision will be final and without prejudice and will be binding on all the parties.

5.3.8 Cost of Bid

The bidder will bear all cost(s) associated with the preparation and submission of bid, including cost of presentation(s), reference site visit, etc. for the purposes of clarification of the bid. RAILTEL will not be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

5.3.9 Purchasers Right to Accept or Reject any Bid or all Bids

The Purchaser reserves the right to accept or reject any bid and annul the bidding process or even reject all bids at any time prior to award of the contract, without thereby incurring any liability to the affected bidder or bidders or without any obligation to inform the affected bidder or bidders about the grounds for the purchaser's action. The Purchaser reserves the right to accept or reject any technology proposed by the bidder. The Purchaser reserves the right to select more than one Bidder keeping in view its large requirements.

5.4 SUBMISSION OF BIDS

5.4.1 The bidders shall duly complete all the formats and the same will be submitted physically on or before last date and time specified in the Bid document. The bid Submitted by the bidder is binding the bidder to the contract. In event of the specified date for submission of bids/supporting documents being declared a holiday for the RAILTEL, the bids/supporting

documents will be received up to specified time on next working day.

5.4.2 Bidders are required to submit the signed copies from authorized signatory of all the technical supporting documents in physical form duly in sealed cover on or before date and time of bid submission.

6. System of Award of Contract & Execution of Contract

6.1 Formal agreement will be signed with the successful bidder on Rs. 100/- stamp paper.

6.2 Execution of Contract

RailTel reserves the right to inspect establishments / fabrication units of the selected bidder. All or any one of the executed fabrication works would be inspected by RailTel or through any other agency, appointed by RailTel before entrusting the work for which, decision of RailTel shall be final and binding on the successful bidder.

Area of Kiosks: An area measuring approx. 10 ft x10 ft will be allocated for installation of the Kiosk at inside/outside the concourse area of the Railway Station.

The Bidder shall not deny or hesitate in accepting any site given to him for fabrication and installation of kiosk.

As per requirement of the site, the bidder may have to modify the design of the kiosk after obtaining the permission from RailTel. For example, if site is under stair case or cctv camera etc. coming in the way of the kiosk site. Accordingly, the successful bidder shall fabricate and install the kiosk with prior approval from RailTel.

The Bidder will be responsible for compliance with applicable laws such as Provident Fund Law, Labor Laws or any other law and approval from statutory authority, if required. RailTel will not be liable for any liability arising under the labour laws or any other law of the land, incurred by the Bidder.

6.2.1 Time Period for Fabrication and Installation of Kiosks.

All the sites for kiosks will be handed over to successful bidders as indicated in ANNEXURE- G. The time period shall start from the date of issue of Letter of Acceptance (LOA)/ Work Order. The RailWire Saathi Kiosks completed in all respect shall be handed over to RailTel in the timelines which shall depend on the number of sites for kiosks allotted to the successful L1 and L2 bidder.

On the basis of allotment of sites for kiosks, actual time frame for the completion of kiosks shall be decided at the time of issue of work order.

The successful bidder will be required to submit acceptance of LOA/Work Order within the period of 3 days and Install one of the allocated sites as a proof of concept (PoC) within 10 days from date of issuing of LOA/Work Order. By successful acceptance of PoC site from RailTel only, bidder may go ahead to execute the project as per allocated sites & time line.

The bidder will be required to complete the project within 10 weeks of award of contract for the same. Bidder will have to get the User Acceptance test within this period from the RAILTEL

The successful bidder will have to hand over RailWire Saathi Kiosks to RailTel within the time specified in the work order after successful fabrication, installation of kiosk, installation of electricity connection etc. at the allotted sites to the satisfaction of RailTel. All the kiosks will be fabricated and installed at rural Railway Stations. The bidder has to complete the fabrication, installation of kiosk, electricity connection etc. of allotted kiosks within time specified in the work order and no extension whatsoever shall be granted.

The bidder will install the kiosks during the time period as per guidelines laid down by RailTel. The Kiosks may require installing on the time as specified/permitted by Indian Railways, even during night time also.

The Bidder shall bear the cost of repairs and maintenance etc. for a period of one year.

The Bidder will be responsible for the cost of removing debris from the premises and will be responsible for all damage to the commission area like flooring, lifts cars etc. during the process of installation/fabrication of kiosks. Any special cleaning or drain clearance necessary as a result of the alteration works and any other costs incurred by Railways/RailTel including any extra security costs, which are caused by, or in connection with, the work will also be on the Bidder account. The Bidder will have to bear the cost of the damage plus service charges. However, before incurring any such costs, the Bidder will be briefed on the requirements by Railways/RailTel.

6.3 SAFETY:

- (i) The Bidder shall be responsible for the safety of the workers at construction site. Accordingly the Bidder shall provide to the manpower, all the safety gears i.e. helmets and other tools. RailTel will not be liable for any liability arising under the labour laws or any other law of the land, incurred by the bidder
- (ii) The Bidder shall carry out work in such a manner that safety of the general public be ensured from any damage or injury arising out at the construction work site. The Bidder shall be solely liable for the claim and litigation, if any arising in such situation and the bidder shall keep RailTel absolved for any liability.
- (iii) The material to be used for construction shall be used of reputed brand / make as approved by RailTel.
- (iv) All preventive and safety measures shall be taken by the Bidder to ensure that no damage to material, building / person (s) / machinery and or to equipment take place during the course of construction.
- (v) The Bidder shall indemnify / compensate RailTel fully in respect of such losses / damages / claims / demands. The loss / damage so occurred will be assessed, calculated and levied after investigation / inquiry by authorized representatives of RailTel.
- (vi) The Bidder shall issue Identity Cards to all its workers at construction site, bearing their photographs at own cost. Nothing contained herein shall be construed as establishing a relation of employee and employer between RailTel and Contractor or its employees.
- (vii) The supervisor / representative of the Bidder at site shall always be carrying

necessary documents from the RailTel authorities to carry out the installation work.

- (viii) The Bidder shall be responsible for all types of injuries and accidents to its staff, and take necessary insurance cover for the same
- (ix) RailTel will not be liable for any liability arising under the labour laws or any other law of the land incurred by the Bidder including taxes.
- (x) The Bidder shall be responsible for the conduct and behavior of his employees. The police verification should also be obtained for their staff or the customers. If any employee of the Bidder is found misbehaving with Railway/RailTel staff or the customers, the Bidder shall take necessary and appropriate action immediately including replacement.
- (xi) The Bidder's employee will make their own arrangements for transportation and food/snacks while at work at their own cost and the company will not entertain any financial expenditure or provide any canteen facility.

6.4 WARRANTY PERIOD OF KIOSKS:

- (i) Bidder will give one year free on site comprehensive warranty from the date of handing over of the Kiosks to RailTel including free provisions of spare parts, kits warranty of equipment of each kiosk for a period of one year from date of hand over of kiosk.
- (ii) On completion of warranty period, the irrevocable Performance Guarantee without any interest accrued shall be released after satisfying that proper free warranty support has been provided during the warranty period of one year.
- (iii) The bidder hereby covenants that it is a condition of the Tender that all goods/stores/articles furnished to the Purchaser under the contract shall be of the highest grade, free of all defects and faults and of the best materials, quality, manufacture and workmanship throughout and consistent with the established and generally accepted standards for materials of the type ordered and in full conformity with the contracts specifications, drawing or sample, if any and shall, if operable, operate properly.
- (iv) The Bidder also guarantee that the said goods/stores/articles would continue to conform to the description and quality as aforesaid and this warranty shall survive notwithstanding the fact that the goods/stores/articles may have been inspected, accepted and payment therefore made by RailTel.
- (v) If, the said goods/stores/articles be discovered not to conform to the description and quality aforesaid or have deteriorated, otherwise than by fair wear and tear the decision of RailTel in that behalf being final and conclusive that RailTel will be entitled to reject the said goods/stores/articles or such portions thereof as may be discovered not to conform to the said description and quality. On such rejection, the goods/stores/articles will be at the bidder risk. If the Bidder so desires, the rejected goods may be taken over by him or his agents for disposal in such manner as he may deem fit within a period of 10 days from the date of such rejection. At the expiry of the period, no claim whatsoever shall lie against the Purchaser in respect of the said goods/stores/articles, which may be

disposed of by RailTel in such manner as he thinks fit. Without prejudice to the generality of the foregoing, all the provisions in the Standard Conditions of Contract relating to the rejection, failure and termination shall apply.

- (vi) The Bidder shall, replace the goods or such portion thereof as have been rejected by the Purchaser, free of cost, at the ultimate destination, or at the option of the Purchaser, the Contractor shall pay to the Purchaser, the value thereof at the contract price and such other expenditure and damage as may arise by reason of the breach of the conditions herein before specified. Nothing herein contained shall prejudice any other right of the Purchaser in that behalf under this contract or otherwise.
- (vii) The Bidder shall, replace the goods or such portion thereof as have been rejected by the Purchaser, free of cost, at the ultimate destination, or at the option of the Purchaser, the Bidder shall pay to the Purchaser, the value thereof at the contract price and such other expenditure and damage as may arise by reason of the breach of the conditions herein before specified. Nothing herein contained shall prejudice any other right of the Purchaser in that behalf under this contract or otherwise.

6.5 INSPECTION:

Material, equipment etc. will be inspected by RailTel officials and certificate of each kiosk will be issued by RailTel.

Final inspection and acceptance of the supplied material will be done by RailTel officials after fabrication and installation of each kiosk. The rejected material for exclusive use of RailTel will be defaced to ensure that the rejected items are not recycled and supplied to other kiosks of RailTel.

7. PERFORMANCE BANK GUARANTEE

The Successful bidder shall submit a Performance Bank Guarantee to RailTel for an amount equal to 10% of contract value within 30 days of award of contract. The bank guarantee will be valid for 18 months from the date of contract and may be extended for further period as required by the RailTel.

The Performance Bank Guarantee may be invoked by RailTel if the successful bidder fails to comply with the terms and conditions as specified in the Tender.

The Performance Bank Guarantee may be discharged by RailTel upon being satisfied that there has been due performance of the obligations of the successful bidder under the contract. Failure of the successful bidder to comply with the requirement as per the Tender terms and conditions shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security, in such event RailTel may make the award to the next lowest evaluated bidder or call for new bids.

The Performance Bank Guarantee will be submitted by the successful bidder to the RailTel as per the Performa given in Annexure I.

successful tenderer is required to furnish security deposit in the form of Performance Bank guarantee, the same should be submitted within 30 days of issue of LOA/PO failing which a penal interest of 15% per annum shall be charged for the delay period i.e. beyond 30 (thirty) days from the date of issue of LOA/PO. This PBG should be from a Scheduled Bank and should cover

warranty period as per Tender condition.

8. PATENT RIGHTS

The bidder shall indemnify RailTel against all third party claims of infringement of patent, trademark or industrial design rights arising from use of the Goods/services, or any part thereof in India.

8.1 The bidder shall, at their own expense, defend and indemnify RAILTEL against all third party claims or infringement of intellectual Property Right, including Patent, trademark, copyright, trade secret or industrial design rights arising from use of the products/services or any part thereof in India or abroad.

8.2 The bidder shall expeditiously extinguish any such claims and shall have full rights to defend itself there from. If RAILTEL is required to pay compensation to a third party resulting from such infringement, the vendor shall be fully responsible therefore, including all expenses and court and legal fees.

8.3 RAILTEL will give notice to the vendor of any such claim without delay, provide reasonable assistance to the Supplier in disposing of the claim, and shall at no time admit to any liability for or express any intent to settle the claim.

9. DELAY IN THE SUCCESSFUL BIDDER'S PERFORMANCE IN IMPLEMENTATION OF THE PROJECT

The successful bidder will be required to submit acceptance of order within the period of 3 days from the date of placing order. In case of delay on part of bidder in completion of project or initiating services will attract a penalty / termination of contract as defined in this TENDER and forfeiture of EMD.

The bidder will be required to complete the project within 10 weeks of award of contract for the same. Bidder will have to get the User Acceptance test within this period from the RAILTEL. In case bidder fails to get the certificate from the RAILTEL within stipulated time, bidder will attract a penalty / termination of contract as defined in this TENDER.

10. GOVERNING LAWS AND DISPUTES

(This clause will be applicable in case of successful bidder only)

All disputes or differences whatsoever arising between the parties out of or in relation to the construction, meaning and operation or effect of this tender documents or breach thereof shall be settled amicably. If, however, the parties are not able to solve them amicably, the same shall be settled by arbitration in accordance with the applicable Indian Laws/ The Arbitration and Conciliation Act, 1996, and the award made in pursuance thereof shall be binding on the parties. The Arbitrator/Arbitrators shall give a reasoned award. Any appeal will be subject to the exclusive jurisdiction of courts at Delhi. The vendor shall continue work under the Contract during the arbitration proceedings unless otherwise directed in writing by the RAILTEL or unless the matter is such that the work cannot possibly be continued until the decision of the arbitrator or the umpire, as the case may be, is obtained. The venue of the arbitration shall be Delhi.

11. SUBCONTRACTING

Sub-contracting is prohibited. In case, sub-contracting is needed, Bidder has to obtain written permission from RAILTEL before contracting any work to subcontractors. RAILTEL at its own discretion may permit or deny the same.

In case of subcontracting is permitted, the contracting vendor will be sole responsible for all the services provided to RAILTEL regardless of which entity is conducting the operations. The contracting bidder is also responsible for ensuring that the sub-contractor comply with all security requirements of the contract and RAILTEL can obtain independent audit report for the same. In such case, the bidder should provide subcontracting details to the RAILTEL and if required, RAILTEL may evaluate the same.

12. EARNEST MONEY DEPOSIT (EMD)

Bid Earnest Money of Rs.5,00,000/- should be submitted by bidder before last date and time of bid submission in the form of Demand Draft, in favour of RAILTEL Corporation Of India Ltd payable at Gurugram.

This security is required to protect interest of RAILTEL against the risk of conduct of the bidder, which may warrant the forfeiture of the security in the following scenario:

- a) In the event of withdrawal of bid during the period of bid validity; or
- b) In the case of a successful bidder, if the bidder fails to deposit the performance bank guarantee/ sign the contract in accordance with the Terms and Conditions and other requirement as specified in Tender Or Any act of bidder, which is not in line with contract obligations.
- c) **Any bid not accompanied with requisite EMD shall be treated as non-responsive and is liable to be rejected.**

In case of unsuccessful bidder, EMD will be returned on completion of tender process and no interest will be payable on EMD amount. The EMD will be returned to the successful bidder upon submission of Performance Bank Guarantee without any interest.

For NSIC registered Firm

1. For small scale units registered with NSIC under single point registration Scheme and participating in this tender enquiry, following exemptions are available:-
 - (i) They are exempted from cost of tender documents.
 - (ii) They are also exempted from depositing Earnest money. NSIC firms will be given Preference as per Govt. of India Guidelines.

These exemptions are applicable provided units are registered with NSIC for tendered item and registration is current and valid. Firms claiming these exemptions are required to submit along with their offer, copy of their current and valid NSIC registration certificate for the tendered item, otherwise their offer would not be considered.

2. No exemption is, however, applicable to these units from payment of security deposit/ Performance Bank Guarantee.

13. ASSIGNMENT

The supplier shall not assign, in whole or in part, its obligations to perform under this contract to any third party, except with the Purchaser's prior written consent.

14. PAYMENT

Accounting unit/bill passing and payment unit for the supplies under TENDER is ED/Concerned Region or his authorized representative, RailTel and paying Authority will be Finance unit of the concerned Region.

Payment will be made after successful installation of RailWire Saathi kiosk at all the allotted Rural Railway Stations. Partial payment for successful installation of minimum 20 locations is also accepted. Payment Terms will be as follows:

- (a) 75% payment shall be made on successful Installation of Kiosk at site.
- (b) 15% payment shall be made on issue of Provisional Acceptance Certificate (PAC).
- (c) 10% payment shall be made on issue of Final Acceptance Certificate (FAC)

The payment will be done after receiving the signed invoice from the bidder.

The penalties imposed by RailTel will also be taken into consideration at the time of payment.

14.1 PROVISIONAL ACCEPTANCE CERTIFICATE (PAC)

RailTel's respective Executive Directors or their authorized representatives of concerned region shall issue a Provisional Acceptance certificate (PAC) for successful commissioning and testing covering all the installation and fixtures as per tender terms and conditions. PAC will not be held back for want of minor deficiencies not affecting the functioning of the overall system. Deficiencies, if any, pointed at the time of issuance of PAC, will be rectified by the contractor within one month. The Provisional Acceptance Certificate shall be signed by both the parties.

14.2 FINAL ACCEPTANCE

The final acceptance of the works completed shall take effect from the date of successful completion of 12 months of Maintenance Supervision as per clause 6.4 of Tender Document, after issue of PAC provided in any case that the contractor has complied fully with his obligations in respect of each item under the contract. . The Final Acceptance Certificate (FAC) shall be signed by authorized representative of RailTel nominated by the Executive Director of the concerned Region and the contractor and issue by Respective Region. Notwithstanding the issue of Final Acceptance Certificate the contractor and the purchaser shall remain liable for fulfillment of any obligation incurred under the provision of the contract prior to the issue of Final Acceptance Certificate which remains unperformed at the time such certificate is issued and for determining the nature and extent of such obligation the contract shall be deemed to remain in force between the parties hereto.

15. PENALTY

If the successful bidder fails to deliver any or all of the Kiosks or to perform the services within the time period(s) as mentioned in the tender document, RailTel shall without prejudices to its other remedies under the terms and conditions of the tender deduct from the bill amount payable/Security Deposit/Performance Bank Guarantee and or any amount due with RailTel as Liquidated damages. A sum of Rs. 1500/- per day per Kiosks shall be deducted for delay in installation of RailWire Saathi Kiosks. The upper limit for penalty imposition will not more than 10% (Ten Percent) of Total Contract value provided in the contract.

Delay in handing over of completed Kiosks more than 3 weeks would attract termination of contract.

16. CONFIDENTIALITY / NON-DISCLOSURE AGREEMENT (NDA)

- i) The bidder (and his employees) shall not, unless the RailTel gives permission in writing, disclose any part or whole of this Tender document, of the proposal and/or contract, or any specification, plan, drawing, pattern, sample or information furnished by the RailTel, in connection therewith to any person other than a person employed by the bidder in the performance of the proposal and/or contract. The employees or the third party engaged by the bidder will maintain strict confidentiality.
- ii) The bidder, his employees and agents shall not without prior written consent from the RailTel, make any use of any document or information given by the user, except for purposes of performing the contract award.
- iii) In case of breach, the RAILTEL shall take such legal action as it may be advised.

Successful bidder will have to sign the Non-Disclosure Agreement with the RAILTEL as per the approved format of the RAILTEL.

17. TERMINATION

Any of the following events shall constitute Event of Default by the successful bidder:

- i) The bidder has failed to submit/replenish the Security deposit/Performance Bank Guarantee within time specified by RailTel and or within the time as may be extended by RailTel.
- ii) The bidder has failed to complete the work in the time as mentioned in the tender document.
- iii) At any time during the contract period fails to adhere to the job specification and scope of work mentioned hereinafter or in breach/default of any of the tender terms and conditions of the present tender and fail to remedy the same within the time specified by RailTel.
- iv) The bidder is in material breach of any of the obligations under the terms and conditions of the tender document.
- v) The Bidder being an individual or, if a firm, any partner in the Bidder being at any time be adjudged insolvent or a receiving order or order for administration of his estate made against him or shall take any proceeding for liquidation or composition under any

insolvency Act for the time being in force or make any conveyance or assignment of his interest or enter into any agreement or composition with his creditors for suspended payment, or if the firm be dissolved under the partnership Act or, in the event of Bidder being a company, if the company shall pass any resolution to be wound up either compulsorily or voluntarily.

- vi) The bidder has unlawfully repudiated or has otherwise expressed an intention not to be bound by the terms and conditions of the tender document and or award of contract.
- vii) The Award of contract may be terminated by RailTel if the quality of the kiosk is not up to the satisfaction of RailTel. In this case decision of RailTel shall be final and binding on Bidder.
- viii) The Bidder being convicted by a court of law under the provisions of criminal procedure code or any other law.
- ix) Repudiation of any terms and conditions of the Tender by Bidder or otherwise evidence of intention not to be bound by the terms and conditions of the Tender.
- x) Failure to adhere to fabrication and installation of kiosk in the terms and conditions.
- xi) Any other act which is against the interest of RailTel and or Indian Railways.

In case the contract is terminated, the PBG will be forfeited.

18. INDEMNITY

The bidder assumes responsibility for and shall indemnify and keep the RAILTEL harmless from all liabilities, claims, costs, expenses, taxes and assessments including penalties, punitive damages, attorney's fees and court costs which are or may be required to be paid by reasons of any breach of the bidder's obligation under these general conditions or for which the bidder has assumed responsibilities under the purchase contract including those imposed under any contract, local or national law or laws, or in respect to all salaries, wages or other compensation to all persons employed by the bidder or bidders in connection with the performance of any system covered by the purchase contract. The bidder shall execute, deliver such other further instruments to comply with all the requirements of such laws and regulations as may be necessary there under to conform and effectuate the purchase contract and to protect the RAILTEL during the tenure of purchase order.

Where any patent, trade mark, registered design, copyrights and/ or intellectual property rights vest in a third party, the bidder shall be liable for settling with such third party and paying any license fee, royalty and/ or compensation thereon.

In the event of any third party raising claim or bringing action against the RAILTEL including but not limited to action for injunction in connection with any rights affecting the machine supplied by the bidder covered under the purchase contract or the use thereof, the bidder agrees and undertakes to defend and / or to assist the RAILTEL in defending at the bidder's cost against such third party's claim and / or actions and against any law suits of any kind initiated against the RAILTEL.

The Design of the Structure of RailWire Saathi Kiosks is property of RailTel only and bidders should not use/share the design or design of the similar nature for any other project or work and shall not divulge the same to any third party.

19. FORCE MAJEURE

Notwithstanding the above provisions, the successful bidder shall not be liable for penalty or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the contract is the result of an event of force majeure. For purposes of this clause, “force majeure” means an event beyond the control of the bidder and not involving the bidder’s fault or negligence and not foreseeable. Such events may include, but are not restricted to, war or revolution or epidemics or natural disasters etc. If a force majeure situation arises, the bidder shall promptly notify the RAILTEL in writing of such condition and the cause thereof. Unless otherwise directed by the RAILTEL in writing, the bidder shall continue to perform its obligation under the contract as far as is reasonably practical, and shall seek all reasonable alternative means of performance not prevented by the force majeure event.

20. RESPONSIBILITY FOR COMPLETENESS

Any services which might not have been specifically mentioned in this TENDER but are necessary for the Fabrication & Installation of Kiosks shall be provided/ rendered as per the time schedule for efficient and smooth operation of the project..

21. LIMITATION OF LIABILITY

Vendor’s aggregate liability under the contract shall be limited to a maximum of the contract value.

This limit shall not apply to third party claims for

a). IP Infringement indemnity.

b). Bodily injury (including Death) and damage to real estate property and tangible property caused by vendor/s gross negligence. For the purpose for the section, contract value at any given point of time, means the aggregate value of the purchase orders placed by RAILTEL on the vendor that gave rise to claim, under this tender. Vendor shall not be liable for any indirect, consequential, incidental or special damages under the agreement/ purchase order.

22. USE OF CONTRACT DOCUMENTS AND INFORMATION

The supplier shall not, without the purchaser’s prior written consent, make use of any document or information provided by Supplier in Bid document or otherwise except for purposes of performing contract.

23. Settlement of Disputes/ Arbitration

- 1) Any dispute or difference whatsoever arising between the parties out of or relating to the construction, meaning, scope, operation or effect of this contract or the validity or the breach thereof shall be settled by arbitration in accordance with the Arbitration and Conciliation Act, 1996 as amended and the award made in pursuance thereof shall be binding on the parties. The venue of such arbitration or proceedings thereof shall be at New-Delhi.
- 2) All arbitration proceedings shall be conducted in English. Recourse against any arbitral award so rendered maybe entered into court having jurisdiction or application may be made to such court for the order of enforcement as the case may be.

- 3) The Arbitral Tribunal shall consist of the Sole Arbitrator appointed by CMD/RailTel Corporation Of India Limited, if the value of claim is up to Rs. 10 lakh. If the value of the claim or amount under dispute is more than Rs. 10 Lakhs, the matter shall be referred to the adjudication of arbitral council. Chairman Managing Director (CMD) of RailTel Corporation shall furnish a panel of three names to the contractor, out of which, contractor will recommend one name to be his nominee and then CMD/RailTel shall appoint one name as RailTel's nominee and these two arbitrators with mutual consent shall appoint a third arbitrator who shall act as the deciding arbitrator in terms of Arbitration and Conciliation Act. The award of the sole arbitrator or the Arbitral council, as the case may be, shall be final and binding on both the parties. Each of the parties agree that notwithstanding that the matter may be referred to Arbitrator as provided herein, the parties shall nevertheless pending the resolution of the Controversy or disagreement, continue to fulfill their obligation under this Agreement so far as they are reasonably able to do so.

Supporting Document for Eligibility Criteria for Bidder

Please enclose documentary proof for all the above criteria. In absence of these, the bids will not be considered for further evaluation. No further correspondence will be entertained in this case. Further, those bidders who have not satisfactorily completed any earlier contract with RAILTEL shall not be eligible for participating in this process.

Technical Specifications

S. No	Description	Re
1	Kiosk Floor shall be raised 30 mm from the RCC platform level, separating it from the level of the RCC railway platform thereby making the kiosk dirt and water-resistant. Floor tiles: Ceramic floor tiles 600 mm x 600 mm, 8 mm thick.	Essential Criteria
2	Wall: Supply of vertical superstructure where walls are made of 50mm thick Polyurethane Rigid Foam insulated panels with 0.4 mm thick coated steel (Yield Strength Minimum 250 MPa) at both the surfaces. The inside layer has the Wood finish steel with 5 layers of coating with RMP (Regular Modified Polyester) technology where in the steel is first coated with Galvanized layer of 120 g per sqm. This will provide longevity to structure. Following are further layers of coating done during RMP coating on steel after galvanization. Back Coating – 0.5 to 1 Micron Base Metal (GI) – 0.45 to 0.5 mm, 120 GSM GI. Chemical Treatment – 0.05 to 1Micron Primer – 5 Micron Base – 15 Micron Printing - 1.2 Micron Clear- 5 Micron Protective Film- 50 Micron The outer steel surface will be of white with color code RAL 9002 RMP coating. The Wall Panels shall have provision for concealed wiring, Tongue and Groove jointing with Cam-lock mechanism. Insulation: Polyurethane Rigid Foam formed in place with density 40KG/Cum. Anchor Fastener: 10 mm diameter 60 mm length anchor @ 300 mm c/c shall be used for fixing bottom channel with the existing RCC floor on which building will be made. Base Channel/Angle : A Base Channel (40x40x53 mm) or Angle (50x50 mm) Galvanized with Powder coated of 1.2 mm thick is fixed on the foundation slab. Accessories : Aluminum POP Rivet (Diameter : 5 mm Length : 18 mm) Joint Filling : Hybrid Sealant at different joints.	Essential Criteria

3	Roof : Mono-Sloped, corrugated leak proof roofing with Polyurethane Rigid Foam (Density , 40 Kg/Cum) based insulated steel panels where the top layer steel sheet is 0.5 mm PPGL (Pre- Painted Galvalume) and the bottom layer steel sheet is 0.5 mm PPGI(Pre-Painted Galvanized). The corrugation thickness is 30mm and 60 mm . Each top Sheet is overlapped at joints. Hybrid Sealants shall be applied at different joints.	Essential Criteria
4	Supporting Steel and Flashing: Minimum 1.5 mm GI Steel with powder coating.	Essential Criteria
5	False Ceiling : PVC False ceiling for enhanced aesthetics. Tongue and Groove joint fixed with Gypsum Screw with length 18 mm, 3mm diameter. Each panel of the PVC ceiling shall be 250 mm wide.	Essential Criteria
6	Electrical : One Ceiling Fan, Four LED Lights of 12 Watt, One main MCB 10 Amp to 16 Amp, Switches 6 Amp, two plug points. Concealed wire conduits and electrical fixtures. There would be modular switches. All the electrical wiring shall be concealed. All electrical items shall be ISI marked.	Essential Criteria
7	Door: Steel Door, 40 mm thick with Honey Comb Paper sandwiched by steel sheet with 0.6 mm thickness. Steel Door Frame made with 1.2 mm thick steel frame along with GI with Powder coating. SS Hinge ISI marked, and door Lock. Door (2100 x 800 mm) shall be made in two parts, the lower part will be 30" height from the bottom. The upper part will have the arrangement to fix it with adjacent wall after opening the door. Both Parts shall have individual handle, hinge and locking arrangements.	Essential Criteria
8	There will be two windows at side and one main counter window. a) The front(or Counter window) window frame 4 feet x 6.5 feet approximately will be made of GP (Galvanized plain sheet minimum steel thickness 1.2 mm with minimum 120 GSM galvanization) with sliding window covers which will be made of 40 mm thick coated steel panel with Honey Comb Paper, similar to the door leaf. There will be window grill made with GP (Galvanized plain sheet minimum steel thickness 1.2 mm with minimum 120 GSM galvanization) to enhance the safety and security. The counter window shall have circular branding of RAILWIRE SATHI from the outside. b) The two side windows (Approximate size 1186 mm x 600 mm height) will have steel grills and frame (both grill and frame shall be made with GP (Galvanized plain sheet minimum steel thickness 1.2 mm with minimum 120 GSM galvanization). Both the windows will have open able covers (Galvanized plain sheet minimum steel thickness 1.2 mm with minimum 120 GSM galvanization) which can be opened towards the inside of the kiosk and that same will act as counter at two sides. The covers will be made of GP Steel plates (Galvanized plain sheet minimum steel thickness 1.2 mm with minimum 120 GSM galvanization) and frames.	Essential Criteria

9	Anchor Fastener: 10 mm diameter 60 mm length anchor @ 300 mm c/c shall be used for fixing bottom channel with the existing RCC floor on which building will be made.	Essential Criteria
10	Print/Posters: Developing, printing (minimum 80 GSM with lamination) and installation of print branding viz. posters, message boards and feature list. RailWire Saathi Concept logos will be fixed. Total branding area shall be minimum 100 sqft	Essential Criteria
11	Supply of one revolving chair and two Steel cabinets with drawers (size 1 feet x 1.5 feet x 1.5 feet depth with drawer height 0.5 feet). There shall be one wooden counter table (6 feet long x 2 feet wide) at the counter window. The Cabinets and drawers shall be placed at two sides for the convenience of the person sitting on the chair and attending the counter.	Essential Criteria
12	Additional Foundation in platform where RCC Floor is not available: 150 mm thick RCC (1:2:4) with single layer 8 mm diameter reinforcement steel @ 250 mm C/C. Size of the foundation shall be 10 feet X 10 feet. Base layer has to be paved with one layer of BFS (Brick Flat Soling) (Annex J)	Essential Criteria

Performa for Performance Bank Guarantee**PERFORMANCE BANK GURANTEE BOND**

(On Stamp Paper of Rs one hundred)

(To be used by approved Scheduled Banks)

In consideration of the RailTel Corporation of India Limited, : Sector-44,Plot No.143, Gurgaon-122003

1. (Herein after called RailTel) having agreed to exempt (Hereinafter called " the said Contractor(s)") from the demand, under the terms and conditions of an Agreement No. dated made between and for (hereinafter called " the said Agreement") of security deposit for the due fulfillment by the said Contractor (s) of the terms and conditions contained in the said Agreement, or production of a Bank Guarantee for Rs. (Rs. only). We,(indicate the name of the Bank) hereinafter referred to as " the Bank") at the request of Contractor(s) do hereby undertake to pay the RailTel an amount not exceeding Rs. Against any loss or damage caused to or suffered or would be caused to or suffered by the RailTel by reason of any breach by the said Contractor(s) of any of the terms or conditions contained in the said Agreement.
2. We, Bank do hereby undertake to pay the amounts due and payable under this Guarantee without any demur, merely on demand from the RailTel stating that the amount is claimed is due by way of loss or damage caused to or would be caused to or suffered by the RailTel by reason of breach by the said Contractor(s) of any of terms or conditions contained in the said Agreement or by reason of the Contractor(s) failure to perform the said Agreement. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs.
3. We, bank undertake to pay to the RailTel any money so demanded notwithstanding any dispute or disputes raised by the Contractor(s) / Supplier(s) in any suit or proceedings pending before any court or Tribunal relating thereto our liability under this present being, absolute and unequivocal.

The payment so made by us under this Bond shall be a valid discharge of our liability for payment there under and the Contractor(s) / Supplier(s) shall have no claim against us for making such payment.

We, Bank further agree that the Guarantee herein contained shall remain in full force and effect during the period that would be taken for the performance of the said Agreement and that it shall continue to be enforceable till all the dues of the RailTel under or by virtue of the said Agreement have been fully paid and its claims

satisfied or discharged or till RailTel certifies that the terms and conditions of the said Agreement have been fully and properly carried out by the said Contractor(s) and accordingly discharges this Guarantee. Unless a demand or claim under the Guarantee is made on us in writing on or before the (1) We shall be discharged from all liability under this Guarantee thereafter.

We,..... (indicate the name of Bank) Further agree with the RailTel that the RailTel shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the Agreement or to extend time of to postpone for any time or from time to time any of the powers exercisable by the RailTel against the said contractor(s) and to forbear or enforce any of the terms and conditions relating to the said Agreement and we shall not be relieved from our liability by reason of any such variation, or extension to the said Contractor(s) or for any forbearance, act or omission on the part of RailTel or any indulgence by the RailTel to the said Contractor(s) or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have affect of so relieving us.

This Guarantee will not be discharged due to the change in the Constitution of the Bank or the Contractor(s) Supplier(s).

(indicate the name of Bank) lastly undertaken not to revoke this Guarantee during its currency except with the previous consent of the RailTel in writing.
