1. About RailTel Corporation of India Limited

RailTel, a "Mini Ratna (Category-I)" Central Public Sector Enterprise is an ICT provider and one of the largest neutral telecom infrastructure providers in the country owning a Pan-India optic fiber network. The OFC network covers important towns & cities of the country and several rural areas.

RailTel was incorporated on September 26, 2000 with the aim of modernizing the existing telecom system for train control, operation, and safety and to generate additional revenues by creating nationwide broadband and multimedia network, laying optical fiber cable using the right of way along railway tracks. Presently, the optic fiber network of RailTel covers over 61000+ route kilometers and covers 6108+ railway stations across India. Our citywide access across the country is 21000+ kms.

RailTel has a strategic relationship with the Indian Railways and it undertakes a wide variety of projects including provision of mission critical connectivity services like IP based video surveillance system at stations, 'e-Office' services and implementing short haul connectivity between stations and long haul connectivity to support various organizations within the Indian Railways. RailTel also provide various passenger services including content on demand services and Wi-Fi across major railway stations in India.

More detail on RailTel Profile, its initiative towards Digital India, Major Projects of Govt of India, Other Service Offering etc can be found at www.railtelindia.com.

2. Introduction to RailWire Saathi Program

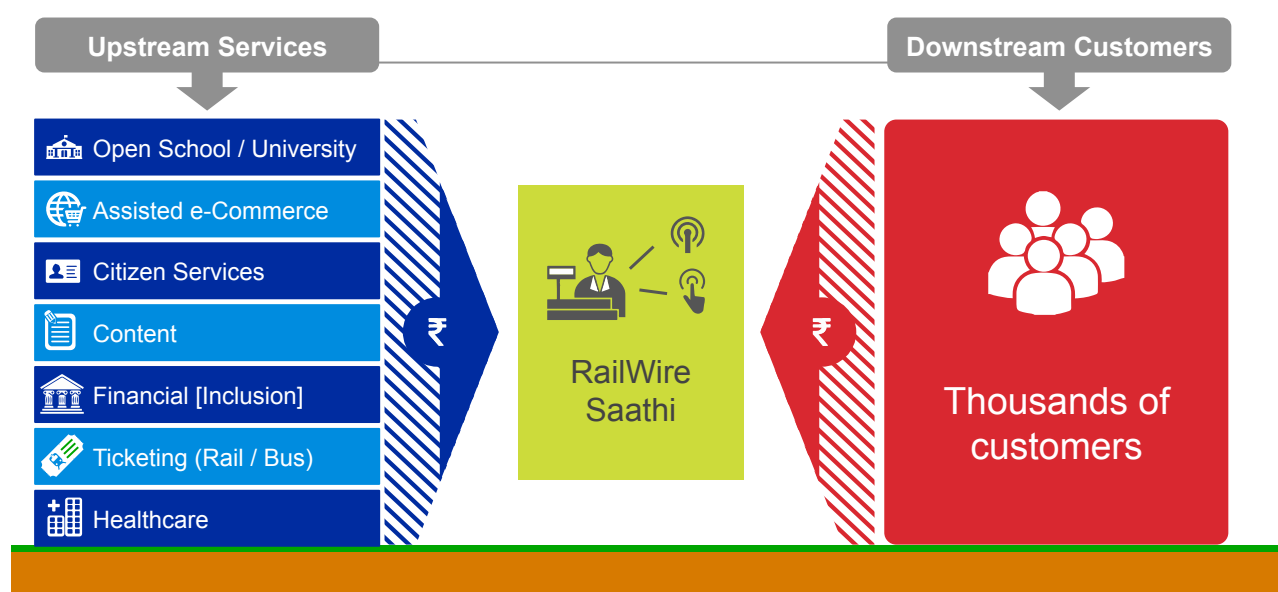

2.1. RailTel Corporation of India Ltd (RailTel) an ICT arm of Indian Railways has initiated in creating a Digital Entrepreneurship program known as "RailWire Saathi" aiming to build a sustainable way to create Wi-Fi hotspots at Railway Stations across India. Through the RailWire Saathi model unemployed youth can be trained and supported to set up a kiosk with high-speed internet connectivity, Wi-Fi hotspot and provide a platform to provide an array of Digital services which will make the business sustainable and provide access to the community.

2.2. Access to e-Governance, credit facilities, identity services, tickets etc. are all available online and yet the population which actually transact online is very less especially in Rural areas. In India 622 M people active on Internet but only 350M users perform online transactions. Around 762M population in India have not adopted the Internet yet out of which 63% population lives in Rural India. This RailWire Saathi will promote the population to go "Digitally", to perform online transactions and to avail maximum no. of Government services through online mode. They will assist in spreading the Digital Literacy mainly in Rural India. **By providing the Digital services to the masses, RailWire Saathi will earn by providing Digital services to the masses. By this RailWire Saathi will be a self-sustainable model for Saathis and they will become "Digital Entrepreneurs".**

2.3. Women are ideal Digital Entrepreneurs as they are diligent, empathetic and approachable for all sections of rural communities. The ability to provide a variety of digital services to the community and earn a livelihood using modern technology will lead to women empowerment and community development besides providing a platform for upstream businesses and services to reach hinterland

- 2.4. The kiosk will be designed to setup at Railway Stations because Railway stations are ideal because of the availability of power, high speed connectivity, central location and covered secure space.
- 2.5. The RailWire Saathi will be trained to manage the services with remote handholding support by RailTel. A RailWire Saathi is expected to earn Rs 5000 to 15000 a month after an initial gestation period of 6-12 months depending on the population served and may increase as more services are enabled.

Sustainable Digital Inclusion Platform

Indicative List of Services

1. **Citizen services:** Scheme Eligibility - Collecting the citizen personal / family profile and identifying all the eligible state and central schemes. This is 100% match - not approximate- against ALL the eligibility criteria mentioned in these schemes using RailWire's AI based platform.
 - a. Document application - Applying for documents like Aadhaar, PAN etc. and managing the updates like change of address etc.
 - b. Scheme application - Applying for various schemes: Though the platform is capable of automatic form filling and pushing to the Govt. portals through APIs , most of the Govt. department portals do not support it. Platform assists in filling these fields, attaching the right kind of documents, exceptions in case of missing documents etc.
 - c. Financial Literacy- To create awareness to access and manage online accounts. Handholding towards electronic transactions. Support in accessing credits and managing repayments.
 - d. Wallet management - Private wallet for the VLEs which is linked to multiple services like automatic deduction, refilling, revenue splitting etc. and connected with various payment gateways.
 - e. Loan eligibility check - reviewing the citizen profile to match with the loan eligibility criteria of different MFIs. Actual loan disbursement and collection will be handled by the MFIs - this service only provides a screening and passing the eligible profiles to MFIs who will contact the citizen and take it forward.

-
- f. Health screening - Screening of the citizens for specific health conditions based on any given protocols.
 - g. Education / awareness of Clean energy / green initiatives for rural population to adopt such technologies like solar pumps, solar lighting or HH lanterns etc.
2. **RailWire Wi-Fi services:** in small denominations like Rs 10 for 30/60 min access and monthly plans like Rs 50/100.
 3. **Assisted e-Commerce:** There is an aspiration to avail the supply chain efficiencies in e-commerce, but online payments are a hurdle. RailWire Saathi can be the nodal point for ordering as well as delivery through the RailWire wallet arrangement with the app automating and tracking last mile transactions.
Conversely rural producers can be assisted with market information and potential buyers.
 4. **Ticketing services:** Rail and bus ticketing. All RailWire Saathi's can be made Rail Ticketing agents including UTS ticketing and reduce pressure on counters
 5. Utility bill payments.
 6. Mobile ,DTH recharge, cable and MFI payments
 7. Financial Inclusion (banking correspondent)
 8. Insurance
 9. RailWire Kiosks can also become the extension counters for NIOS (National Institute of Open Schooling) and virtual skill development programs where a tablet café can be created especially power and shelter are available by GP.
 10. Digital Health Screening

Special Focus on Digital Payments can be achieved:

1. RailWire Saathi's can be trained to evangelize digital payments and services of SBI and other PSU banks.
2. M-POS facility available on the Railwire Saathi platform can facilitate the utility of Rupay card in remote locations.

3. OTHER GENERAL TERMS & CONDITIONS OF THE EOI:

3.1 INDEMNITY:

The Program Manager shall indemnify, defend and hold RailTel harmless from and against any losses, costs, expenses, damages of whatsoever nature which may be incurred or suffered by RailTel which arises out of or as a result from any breach of contract, warranty, tort (including negligence) or otherwise of Program Manager's obligation or agreement contained herein.

3.2 FORCE MAJEURE:

- a) If at any time, during the continuance of this contract, the performance in whole or in part by either party of any obligations under this contract shall be prevented or delayed by reason of any war, or hostility, acts of the public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine restriction, strikes, lockouts or act of God (Hereinafter referred to as events) provided notice of happenings, of any such eventuality is given by the either party to the other within 21 days from the date of occurrence thereof, neither party shall by reason of such event be entitled to terminate this and contract shall be resumed as

soon as practicable after such event may come to an end or cease to exist, and the decision of the RailTel as to whether the deliveries have been so resumed or not shall be final and conclusive, provided further that if the performance in whole or part of any obligation under this contract is prevented or delayed by reason of any such event for a period exceeding 60 days either party may, at its option terminate the contract.

- b) Provided also that if the contract is terminated under this clause, the RailTel shall be at liberty to take over from the Program Manager at a price to be fixed, if any by the Purchaser, which shall be final, all unused, undamaged and acceptable materials, bought out components and stores in course of manufacture in possession of the Program Manager at the time of such termination of such portions thereof as the purchaser may deem fit excepting such materials / bought out components and stores as the contractor may with concurrence of the purchaser elect to retain.

3.3 TERMINATION FOR DEFAULT:

Any of the following events shall constitute an event of default by the Bidder entitling the Competent Authority to terminate the concessions granted to the Bidder:

- a) The RailTel may, without prejudice to any other remedy for breach of contract, by written notice of default, sent to the Program Manager, terminate this contract in whole or in part.
 - i. If the Program Manager fails to deliver services within the time period(s) specified in the Contract, or any extension thereof granted by the RailTel.
 - ii. If the Program Manager fails to perform any obligation(s) under the Contract; and
 - iii. If the Program Manager, in either of the above circumstances, does not remedy his failure within a period of 30 days (or such longer period as the RailTel may authorize in writing) after receipt of the default notice from the RailTel.
- b) Upon occurrence of any of the defaults, the RailTel would follow the procedures of issuing time bound Notice/Show Cause before deciding on termination of the agreement. The decision of the RailTel shall be final and binding on the Bidder.
- c) In such case the RailTel shall intimate the selected bidder in writing about all issues where performance is below the expected level or is not satisfactory and the selected bidder shall be given 90 days to rectify the same. Failure to rectify the same shall result in termination of the contract.
- d) The contract shall not be terminated for failure to discharge responsibilities due to force majeure situations or failure by RailTel to meet conditions precedent.

RailTel's decision shall be final in reference to the above-mentioned clause for Termination.

3.4 TERMINATION FOR INSOLVENCY:

The RailTel may at any time terminate the contract by giving written notice to the Program Manager, without compensation to the Program Manager, if the Program Manager becomes unwilling, bankrupt or otherwise insolvent.

3.5 GOOD FAITH NEGOTIATION:

- a) The parties shall endeavor, in the first instance to resolve any dispute, disagreement arising out of or in connection with this agreement through Good Faith and Negotiation.
- b) For the purpose of conducting Good Faith Negotiations, each party shall within 15 days of the commencement of the agreement designate in writing to the other party a representative who shall be authorized to negotiate on its behalf with a view to resolve any dispute. Each such representative shall remain so authorized until his replacement has been designated in writing to the other party by the part he represents.
- c) The Dispute shall not be referred to Arbitration unless and until the provisions of this clause have been complied with.
- d) The representative of the party which considers that a dispute has arisen shall give to the representative of the other party, a written notice setting out the material particulars of the Dispute in issue, in short, a Dispute Notice shall be served upon by the representative of the party which considers that a dispute has arisen to the representative of the other party.
- e) Within 30 days or such longer period as may be mutually agreed to, of the Dispute Notice, having been delivered to the other party, the representatives of both parties shall meet in person at either of the registered office of the parties or at any designated place to attempt in good faith, and using their cost endeavors at all times to resolve the dispute. Once the dispute is resolved, the terms of the settlement shall be reduced in writing and signed by the Representatives of the parties (the settlement).
- f) If a settlement is not reached within thirty days after Negotiation on date, such dispute shall be referred to Arbitration.

3.6 ARBITRATION

- a) The parties shall attempt to resolve through good faith and consultation in their behalf, disputes arising in connection with this agreement, and such consultation shall begin promptly after a Party has delivered to another Party a written request for such consultation.
- b) Without prejudice to the provisions hereof, in the event of any dispute, difference, conflict or question arising between the parties hereto relating to or concerning or arising out of this agreement, the same shall be referred to arbitration, which shall be held in New Delhi. The arbitration proceedings shall be in accordance with the provision of the arbitration and Conciliation Act 1996 and any other statutory amendments or modifications thereof. Arbitrator shall be appointed by CMD/RailTel. The decision of arbitrator shall be final and binding on both parties. The arbitration proceedings shall be conducted in the English language. Each party shall bear the cost of preparing and presenting its case, and the cost of arbitration, including fees and expenses of the arbitrators, shall be shared equally by the parties unless the award otherwise provides.

3.7 Disclaimer:

RailTel is not committed either contractually or in any other way to the applicants whose applications are accepted. The issue of this Request for EOI does not commit or otherwise oblige the RailTel to proceed with any part or steps of the process.

Subject to the applicable legal provisions, RailTel and its directors /officers /employees /contractors /agents and advisors disclaim all liabilities (including liability by reason of negligence) from any loss or damage, cost or expense incurred or arising by reasons of any person using the information and whether caused by reasons of any error, omission or misrepresentation in the information contained in this document or suffered by any person acting or refraining from acting because of any information contained in this Request for EOI document or conduct ancillary to it whether or not the loss or damage arises in connection with any omission, default, lack of care or misrepresentation on the part of RailTel or any of its officers, employees, contractors, agents or advisors.

ELIGIBILITY CONDITIONS FOR RESPONDANTS:

SCOPE OF WORK: BROAD TERMS OF EMPANELMENT

1. Scope of Empaneled Respondent as program manager includes end to end delivery and management of the RailWire Saathi program.
 - a. Program Manager will select the RailWire Saathi for the locations attached as Annexure-F. The RailWire Saathi will be unemployed youth.

An unemployed youth should possess minimum qualification of 10th/SSC/Matric and the age limit should be 18 to 40 years.
 - b. The Program Manager will dovetail RailWire Saathi training requirements into their existing skill development programs at their locations.
 - c. After successful skill development training to all the Saathi, Program Manager will deploy the Saathi at their respective kiosks. They will also handhold the RailWire Saathi to conduct operations smoothly for the first 3 months.
 - d. Program Manager will monitor and manage the initial kickoff of the RailWire Saathi program and provide all the essential support to Saathi.
 - e. Program Manager in association with RailTel will create awareness about the RailWire Saathi Program at all the locations where the kiosk will be installed. (This is particular to create awareness among the population)
 - f. If, at any location the RailWire Saathi is not able to perform or is not willing to be part of this program, then Program Manager must have candidates on standby (equipped with all the essential training) so the network operations will not be affected for more than 5 days.
 - g. The RailWire Saathi is expected to be available at the kiosk from 9:00 AM to 5:00 PM to provide the services. The Saathi can keep the kiosk open earlier or later depending on trains and the community's requirements.
 - h. The RailWire Saathi's performance will be monitored through a Balance Scorecard or any other fair practices measured - based on their punctuality, logging hours, carrying out transactions and completing assigned tasks. RailTel will specify the minimum score expected from the Saathi based on the location/services etc. in consultation with selected Program Manager covering the kiosk. The Saathi is expected to improve on the performance on a notice is given to Saathi. If the Saathi is not able to improve the score for 3 consecutive months then RailTel may request the Program Manager for a change of RailWire Saathi.

2. ROLES AND RESPONSIBILITIES OF RAILTEL

RailTel shall provide all support and enforcement to help execution of the RailWire Saathi Program for the period of contract and all approvals etc as may be required for execution of the said program. This shall include but not limited to the following:

- 2.1 RailTel shall provide a conducive organizational atmosphere for the set up to operate the RailWire Saathi Program.
- 2.2 RailTel shall take all the necessary approvals and permissions from the Railway authorities and other related authorities to carry out the works related to RailWire Saathi Program. This will also include the entry of Program Manager's Nodal Officer and RailWire Saathi at Railway premises.
- 2.3 RailTel have fabricated & installed the RailWire Saathi kiosks at 193 Railway Stations mentioned at Annexure-F.

3 ALLOCATION OF THE LOCATIONS (RAILWAY STATIONS)

After successful empanelment of the Program Managers through EoI, Program Managers shall identify the locations (among the locations mentioned at Annexure-F) and submit the list of preferred locations for putting trained and skilled RailWire Saathi. The allocation of the locations will be on the basis of FCFC (First Come, First Serve).

If more than one organisations are having some common preferred locations at the same time, then the locations will be allotted to the organisation who will have the higher marks during the evaluation process.

The lockin period for the particular location will be 3 months, if in these 3 months the Program Manager will not be able to deploy the RailWire Saathi at the location then it will be transferred to the other program manager who gave preference for this location earlier (if more than one organisation will be there then the preference will be given to the organisation having higher marks).

4 EXCLUSIVITY/BASIC PRINCIPLES FOR FUTURE ADAPTATIONS

- 4.1 The relationship is on non-exclusive basis for both the parties.
- 4.2 Though Non-exclusive but RailTel visualizes very long-term relationship through this EOI. The initial period of empanelment under this EOI is Five (05) years, unless terminated earlier, and it can be extended on mutual terms and conditions.

5 VALIDITY OF THE EMPANELMENT

Empanelment shall remain in force initially for a period of Five (05) years on non-exclusive basis from the date of award of work and can be extended further with mutual consent. This agreement shall be valid for its full term unless revoked as per the clauses and mechanism defined in this Agreement.

6 EXIT CLAUSE

The Program Manager may exit from this business or prematurely revoke this empanelment by giving Six (06) months written notice to RailTel after one-year lock in period. Similarly, RailTel can

also exit prematurely from this agreement after giving Six (06) months written notice to Partner after one-year lock in period. This shall be done without any claim of liability on each other.

7 TRANSFER AND TERMINATION OF AGREEMENT:

- 7.1 Program Manager shall not transfer its rights and obligations under this agreement to any other party. In case of a merger or amalgamation of Program Manager or RailTel with any other entity, the rights and obligations under this agreement will stand transferred to the merged entity.
- 6.2 That if there is a change in the constitution of the Program Manager or RailTel, its successor body shall be bound by the agreement and service-related commitments during its validity period.
- 6.3 RailTel reserves the right to terminate the agreement for
- (i) Any breach or non-observance or non-fulfillment of agreement conditions related to service deliverables.
 - (ii) Any other violation of clauses of this EOI / agreement
 - (iii) RailTel may suspend / terminate the agreement with 30 days' notice. In case of the case leading to termination then further action will be taken as per exit clause of this EOI document.
- 6.4 Neither party shall intentionally or otherwise commit any act (s) as would make a third party to believe that the other party is still the former Party's service provider; as the case may be.
- 6.5 The expiration or termination of the agreement for any reason whatsoever shall not affect any obligation of either party having accrued under this agreement prior to the expiration or termination shall be without prejudice to any liabilities of either party to the other party existing at the date of expiration or termination of the agreement in relation to services which are already operational.

7 RIGHT TO INSPECT

Both parties will provide the necessary facilities for continuous monitoring of the services under implementation, at its own cost, when required by RailTel or any Statutory Authority empowered to do so. The inspection will ordinarily be carried out after reasonable notice except in circumstances where giving such a notice before may defeat the very purpose of the inspection, a notice after such inspection shall be provided, also assigning reason for such exceptional circumstances.

After deployment of project, Impact Assessment by an independent agency shall be conducted to ascertain the efficiency and utility of the pilot projects which would provide input for the further deployment and expansion of last mile solutions to provide services in GPs and villages.

8 LIABILITY:

Except as provided in this agreement, hereinabove, neither party shall be liable to other party or any other party by virtue of termination of this agreement for any reason whatsoever for any claim for loss or profit or on account for any expenditure, investment, leased, capital improvements or any other commitments made by the other party in connection with their business made in reliance upon or by virtue of this agreement.
