What is the model of support expected.	The model will defined on customer requirements however bidder has to plan for complete Onsite team with Backend Support.
What is the basis of the support manpower identified for the project.	The no. of resources has been taken based on no. of module
Is the expected Manpower fixed or can it be tweaked as per the needs	The no of resources will be final after final accepted proposal with the customer.

2. The last date of submission of EOI Response is extended from 12.10.23 to 16.10.23 upto 12:00 Hrs. The EOI bids will be opened at 12:30 Hrs on 16.10.23
3. RailTel is required to submit techno commercial proposal to customer based on suitable bidder's proposal, hence there is no commitment on PO issuance. RailTel can have back to back negotiations with selected bidder and may place full or partial PO as per customer requirement.
4. All other terms and conditions remain same as per EOI Document.
