1	7	EOI document	4.9 Details of Financial bid for the above referred tender	Business Associate meeting eligibility criteria and clearing the technical evaluation will be selected for exclusive pre-bid arrangement for optimizing technical and commercial solution so that most winnable solution is submitted to end customer. In case if there are Two or more Business Associate meeting eligibility criteria and clearing technical evaluation criteria, then price bid will be sought from these Sole partner/ consortiums in the second stage for the given scope of the work and Sole partner/ consortium with overall lowest (L1) offer will be selected for exclusive pre bid arrangement for optimizing technical and commercial solution. The final bid for the tender will be prepared jointly with the selected Business Associate so that the optimal bid can be put with a good chance of winning the Tender.	Business Associate meeting eligibility criteria and clearing the technical evaluation will be selected for exclusive pre-bid arrangement for optimizing technical and commercial solution so that most winnable solution is submitted to end customer. In case if there are Two or more Business Associate meeting eligibility criteria and clearing technical evaluation criteria, then price bid will be sought from these Sole partner/ consortiums in the second stage for the given scope of the work. The Sole partner/ consortium with overall lowest (L1) offer will be selected for pre bid arrangement for 50% of the work and the Partner with the overall second lowest offer (L2) will be selected for pre bid arrangement for remaining 50% of the work subject to L2 bidder matching the price of L1 bidder including the make and model of equipment of the L1 bidder. This will help in optimizing the technical and commercial solution. The final bid for the tender will be prepared jointly with the selected Business Associate/s so that the optimal bid can be put with a good chance of winning the Tender.
2	9	EOI document	7. Evaluation Criteria, Point 7.3	In case if there are two or more Sole partner meeting eligibility criteria then the price bids will be sought from these Sole partners in the second stage for the given scope of the work and Sole partner with overall lowest (L1) offer will be selected for exclusive pre bid arrangement for optimizing technical and commercial solution.	In case if there are two or more Sole partner meeting eligibility criteria then the price bids will be sought from these Sole partners in the second stage for the given scope of the work and partner with overall lowest (L1) offer will be selected for pre bid arrangement for 50% of the work and the Partner with the overall second lowest offer (L2) will be selected for pre bid arrangement for remaining 50% of the work subject to L2 bidder matching the price of L1

					bidder including the make and model of equipment of the L1 bidder. This will help in optimizing the technical and commercial solution.
