hold all Information received from Disclosing Party in confidence; use such Information for the purpose of evaluating the possibility of entering into a commercial arrangement between the Parties concerning such Information; and restrict disclosure of such Information to those of Receiving Party’s officers, directors, employees, affiliates, advisors, agents and consultants (collectively, the “Representatives”) who the Receiving Party, in its reasonable discretion, deems need to know such Information, and are bound by the terms and conditions of (1) this Agreement, or (2) an agreement with terms and conditions substantially similar to those set forth in this Agreement.

The restrictions on Receiving Party's use and disclosure of Information as set forth above shall not apply to any Information that Receiving Party can demonstrate: is wholly and independently developed by Receiving Party without the use of Information of Disclosing Party; at the time of disclosure to Receiving Party, was either (A) in the public domain, or (B) known to Receiving Party; is approved for release by written authorization of Disclosing Party; or is disclosed in response to a valid order of a court or other governmental body in the India or any political subdivision thereof, but only to the extent of, and for the purposes set forth in, such order; provided, however, that Receiving Party shall first and immediately notify Disclosing Party in writing of the order and permit Disclosing Party to seek an appropriate protective order.

(c) Both parties further agree to exercise the same degree of care that it exercises to protect its own Confidential Information of a like nature from unauthorised disclosure, but in no event shall a less than reasonable degree of care be exercised by either party.

Designation.

Information shall be deemed confidential and proprietary and subject to the restrictions of this Agreement if, when provided in:

written or other tangible form, such Information is clearly marked as proprietary or confidential when disclosed to Receiving Party; or oral or other intangible form, such Information is identified as confidential or proprietary at the time of disclosure.

Cooperation. Receiving Party will immediately give notice to Disclosing Party of any unauthorized use or disclosure of the Information of Disclosing Party.

Ownership of Information. All Information remains the property of Disclosing Party and no license or other rights to such Information is granted or implied hereby. Notwithstanding the foregoing, Disclosing Party understands that Receiving Party may currently or in the future be developing information internally, or receiving information from other parties that may be similar to Information of the Disclosing Party. Notwithstanding anything to the contrary, nothing in this Agreement will be construed as a representation or inference that Receiving Party will not develop products, or have products developed for it, that, without violation of this Agreement, compete with the products or systems contemplated by Disclosing Party's Information.

No Obligation. Neither this Agreement nor the disclosure or receipt of Information hereunder shall be construed as creating any obligation of a Party to furnish Information to the other Party or to enter into any agreement, venture or relationship with the other Party.

Return or Destruction of Information.

All Information shall remain the sole property of Disclosing Party and all materials containing any such Information (including all copies made by Receiving Party) and its Representatives shall be returned or destroyed by Receiving Party immediately upon the earlier of:

termination of this Agreement; expiration of this Agreement; or
Receiving Party's determination that it no longer has a need for such Information.

Upon request of Disclosing Party, Receiving Party shall certify in writing that all Information received by Receiving Party (including all copies thereof) and all materials containing such Information (including all copies thereof) have been destroyed.

Injunctive Relief: Without prejudice to any other rights or remedies that a party may have, each party acknowledges and agrees that damages alone may not be an adequate remedy for any breach of this Agreement, and that a party shall be entitled to seek the remedies of injunction, specific performance and/or any other equitable relief for any threatened or actual breach of this Agreement

Notice.

Any notice required or permitted by this Agreement shall be in writing and shall be delivered as follows, with notice deemed given as indicated:

by personal delivery, when delivered personally; by overnight courier, upon written verification of receipt; or by certified or registered mail with return receipt requested, upon verification of receipt.

Notice shall be sent to the following addresses or such other address as either Party specifies in writing.

Term, Termination and Survivability.

Unless terminated earlier in accordance with the provisions of this agreement, this Agreement shall be in full force and effect for a period of ____years from the effective date hereof.

Each party reserves the right in its sole and absolute discretion to terminate this Agreement by giving the other party not less than 30 days' written notice of such termination.

Notwithstanding the foregoing clause 9(a) and 9 (b), Receiving Party agrees that its obligations, shall:

In respect to Information provided to it during the Term of this agreement, shall survive and continue even after the expiry of the term or termination of this agreement; and not apply to any materials or information disclosed to it thereafter.

Governing Law and Jurisdiction. This Agreement shall be governed in all respects solely and exclusively by the laws of India without regard to its conflicts of law principles. The Parties hereto expressly consent and submit themselves to the jurisdiction of the courts of New Delhi.

Counterparts. This agreement is executed in duplicate, each of which shall be deemed to be the original and both when taken together shall be deemed to form a single agreement

No Definitive Transaction. The Parties hereto understand and agree that no contract or agreement with respect to any aspect of a potential transaction between the Parties shall be deemed to exist unless and until a definitive written agreement providing for such aspect of the transaction has been executed by a duly authorized representative of each Party and duly delivered to the other Party (a "*Final Agreement*"), and the Parties hereby waive, in advance, any claims in connection with a possible transaction unless and until the Parties have entered into a Final Agreement.

Settlement of Disputes:

The parties shall, at the first instance, attempt to resolve through good faith negotiation and consultation, any difference, conflict or question arising between the parties hereto relating to or concerning or arising out of or in connection with this agreement, and such negotiation or consultation shall begin promptly after a Party has delivered to another Party a written request for such consultation.

In the event of any dispute, difference, conflict or question arising between the parties hereto, relating to or concerning or arising out of or in connection with this agreement, is not settled through good faith negotiation or consultation, the same shall be referred to arbitration by a sole arbitrator.

The sole arbitrator shall be appointed by CMD/RailTel out of the panel of independent arbitrators maintained by RailTel, having expertise in their respective domains. The seat and the venue of arbitration shall be New Delhi. The arbitration proceedings shall be in accordance with the provision of the Arbitration and Conciliation Act 1996 and any other statutory amendments or modifications thereof. The decision of arbitrator shall be final and binding on both parties. The arbitration proceedings shall be conducted in English Language. The fees and cost of arbitration shall be borne equally between the parties.

CONFIDENTIALITY OF NEGOTIATIONS

Without the Disclosing Party's prior written consent, the Receiving Party shall not disclose to any Person who is not a Representative of the Receiving Party the fact that Confidential Information has been made available to the Receiving Party or that it has inspected any portion of the Confidential Information or that discussions between the Parties may be taking place.

REPRESENTATION

The Receiving Party acknowledges that the Disclosing Party makes no representation or warranty as to the accuracy or completeness of any of the Confidential Information furnished by or on its behalf. Nothing in this clause operates to limit or exclude any liability for fraudulent misrepresentation.

ASSIGNMENT

Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of law or otherwise by any of the Parties without the prior written consent of each of the other Parties. Any purported assignment without such consent shall be void. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns. its Affiliates to advise their Representatives, contractors, subcontractors and licensees, of the obligations of confidentiality and non-use under this Agreement, and shall be responsible for ensuring compliance by its and its Affiliates' Representatives, contractors, subcontractors and licensees with such obligations. In addition, each Party shall require all persons and entities who are not employees of a Party and who are provided access to the Confidential Information, to execute confidentiality or non-disclosure agreements containing provisions no less stringent than those set forth in this Agreement. Each Party shall promptly notify the other Party in writing upon learning of any unauthorized disclosure or use of the Confidential Information by such persons or entities.

NO LICENSE

Nothing in this Agreement is intended to grant any rights to under any patent, copyright, or other intellectual property right of the Disclosing Party, nor will this Agreement grant the Receiving Party any rights in or to the Confidential Information of the Disclosing Party, except as expressly set forth in this Agreement.

RELATIONSHIP BETWEEN PARTIES:

Nothing in this Agreement or in any matter or any arrangement contemplated by it is intended to constitute a partnership, association, joint venture, fiduciary relationship or other cooperative entity between the parties for any purpose whatsoever. Neither party has any power or authority to bind the other party or impose any obligations on it and neither party shall purport to do so or hold itself out as capable of doing so.

20: UNPULISHED PRICE SENSITIVE INFORMATION (UPSI)

_____ agrees and acknowledges that _____, its Partners, employees, representatives etc., by virtue of being associated with RailTel and being in frequent communication with RailTel and its employees, shall be deemed to be "Connected Persons" within the meaning of SEBI (Prohibition of Insider Trading) Regulations, 2015 and shall be bound by the said regulations while dealing with any confidential and/ or price sensitive information of RailTel. _____ shall always and at all times comply with the obligations and restrictions contained in the said regulations. In terms of the said regulations, _____ shall abide by the restriction on communication, providing or allowing access to any Unpublished Price Sensitive Information (UPSI) relating to RailTel as well as restriction on trading of its stock while holding such Unpublished Price Sensitive Information relating to RailTel

MISCELLANEOUS. This Agreement constitutes the entire understanding among the Parties as to the Information and supersedes all prior discussions between them relating thereto. No amendment or modification of this Agreement shall be valid or binding on the Parties unless made in writing and signed on behalf of each Party by its authorized representative. The failure or delay of any Party to enforce at any time any provision of this Agreement shall not constitute a waiver of such Party's right thereafter to enforce each and every provision of this Agreement. In the event that any of the terms, conditions or provisions of this Agreement are held to be illegal, unenforceable or invalid by any court of competent jurisdiction, the remaining terms, conditions or provisions hereof shall remain in full force and effect. The rights, remedies and obligations set forth herein are in addition to, and not in substitution of, any rights, remedies or obligations which may be granted or imposed under law or in equity. IN WITNESS WHEREOF, the Parties have executed this Agreement on the date set forth above.

The unsuccessful bidder's EMD will be released as promptly as possible, but not later than 90 days after the award of the Contract to the empanelled Bidder and after submission of Performance Bank Guarantee (PBG) by the successful empanelled bidder. No interest will be payable by the MPSEDC on the amount of the EMD to any Bidder.</p> <p>d) The EMD may be forfeited in the following cases:</p> <ol style="list-style-type: none"> If a Bidder provides incorrect/misleading/false information in the proposal If a Bidder withdraws his bid or increases his quoted prices during the period of bid validity or its extended period, if any; or In the case of an empanelled Bidder if it fails to furnish performance bank guarantee as specified in this RFP In the case of an empanelled Bidder if it fails within the specified time limit to sign the Agreement.
17	<p>Performance Bank Guarantee (PBG)</p> <p>a) The selected Bidder shall at his own expense, deposit with MPSEDC, within 10 working days an unconditional and irrevocable Performance Bank Guarantee (PBG) from a Scheduled/ nationalized Bank of value Rs. 25,00,000/- (Twenty-Five Lakhs Only), for the due performance and fulfillment of the Contract by the successful empanelled bidder. If the already deposited PBG amount is less than 3% of the work order issued to any empanelled bidder, then an additional PBG amount will be deposited by the empanelled bidder, up to 3% of the work order value.</p> <p>b) Performance Bank Guarantee should be valid up to 6 Months beyond the Contract period.</p>

	<p>c) Performance Bank Guarantee may be forfeited by the MPSEDC,</p> <ol style="list-style-type: none"> i. If the Empanelled Bidder fails to perform within the period(s) specified in the Contract, or within any extension thereof granted by the MPSEDC pursuant to conditions of Contract clause or if the Empanelled Bidder fails to perform any other obligation(s) under the Contract. ii. Except as provided above, a delay by the empanelled Bidder in the performance of its delivery obligations shall render the empanelled Bidder liable to the imposition of liquidated damages under conditions of the Contract. The selected Bidder shall indemnify MPSEDC in case any of the resources deployed by them damage the equipment, assets, etc. owned by MPSEDC. Further, without prejudice to its other remedies under the Contract, the Contract can be terminated by MPSEDC and the Performance Bank Guarantee can be forfeited. <p>D If the Performance Security is liquidated /encashed, in whole or in part, during the validity of the Performance Security, the Bidder shall top up the Performance Security with the same amount as has been encashed within 15 days of such encashment without demur.</p>
18	<p>Currency: The currency for all prices should be expressed in: Indian Rupee (INR)</p>
19	<p>Period of Services: The empanelled bidder would be engaged for providing the services for period of three (3) years from the date of signing the contract or from date of the issued workorder whichever is earlier with the MPSEDC. The payments would be based on the contract signed between the empanelled bidder and the MPSEDC.</p>

SECTION-II: SCHEDULE OF REQUIREMENTS

A. Introduction

MPSEDC is the agency of the state working towards promotion & implementation of IT and e-Governance. It is the single-point of access to any IT business opportunity in Madhya Pradesh and encourages various players in the field of IT to come forward and invest in the state of Madhya Pradesh. MPSEDC is committed to generate IT business for the public/private sector with a mandate from the Government to develop IT in the state. This includes opportunities for software development, supply of hardware & peripherals, networking and connectivity, web applications, e-commerce, IT training and an entire gamut of direct and indirect IT businesses. To promote use of IT and ITES in various Departments, Corporations, Companies, Societies, Boards etc. of Government of Madhya Pradesh. The scope would include Consultancy, Software Development, Hardware/Software procurement, Training, Testing, Networking, Recruitment of IT professionals and development of specified areas as Hardware and Software Technology Parks. The Corporation shall also involve itself in emerging areas in the field of Information Technology.

B. Objective

MPSEDC is issuing this RFP document (hereinafter referred to as “the RFP” which expression shall include all attachments and annexure hereto as well as all amendments, addendums, modifications and alteration hereto) to service providers, (hereinafter referred to as “the Bidder”) to enable them to participate in the competitive bidding for “Empanelment of Service Providers for Provisioning Connectivity Services in Government offices of MP – 2.0” from the date of signing the contract across the state of Madhya Pradesh”. Empanelled bidder will be responsible for establishing the Connectivity between MPSWAN POP and Government offices located across the State of Madhya Pradesh. At present MPSWAN is having 400 POPs connected over the MPSWAN network across the state, POP count may increase in future.

C. Scope of Work

Under this project, the bidder is required to establish connectivity as managed service from MPSWAN POP (DHQ/BHQ) to government horizontal offices/locations. The backbone connectivity at between SHQ and DHQ/BHQ shall be arranged by MPSEDC, which already exists.

Scope of the Work for Connectivity Provided as Managed Service:

1. End-to-end connectivity to be provisioned as managed services where the Successful Bidders/Empaneled Service Providers would be responsible for commissioning, management, operations, and maintenance support of the connectivity during the entire contract duration having the committed bandwidth between POP to Horizontal offices for example, the Police Stations, IGRS offices, Treasury offices etc. across the state referred as

horizontal (HO) offices and similarly any other government offices.
Below is the tentative number of sites to be connected:

Table 1: Estimated Count of Client Connectivity:

S.No	Approx. Estimated Count
1	2500 Note: The number of links mentioned are provided here as an estimated count which may further increase or decrease based on requirements.

2. In the managed service, the Successful Bidders/Empaneled Service Providers are responsible for the end-end connectivity, which will include the necessary equipment, and IP addresses (if required).
3. The existing connectivity setup is RF based hence the proposed RF solution must be compatible with existing setup.
4. The proposed solution shall not disturb the existing setup otherwise the previous setup shall be replaced by new empaneled vendor without any additional cost.
5. Successful Bidder/Empaneled Service Providers shall establish an end-to-end secure dedicated connectivity (Wired/Wireless) in Full Duplex mode (1:1) with requisite bandwidth without any compression from respective office to POP. The links offered should be through on un-contention media i.e., bandwidth should be uncompressed and not shared. In case of RF connectivity if the end-user link is provided through Point-to-Multipoint Base station of POP then required bandwidth mentioned in work order has to be provided at end user.
6. The Network rack (2U or above) with power spike for mounting of network equipment supplied for this connectivity will be provided by empanelled service providers. If network rack is already available at the client location and user department allow to install network equipment supplied by the empanelled service providers, then empanelled service providers may install the equipment in the same rack. The 5A AC power will be provide by the user department from which empanelled service provide will connect power spike of the network rack to connect all equipment inside the rack.

7. The solution shall have an IDU with power backup and manageable minimum 5 ports switch which can be used to provide power to CPE like ODU, ONT etc. and other network devices can also be connected to the IDU. OFC/RF Radio Must have Inbuilt Battery for Power Backup for at least 4 -6 hours.
8. Successful Bidders/Empaneled Service Providers in consultation with the nodal officer of the respective location, shall ensure proper positioning and electric earthing at each designated location wherever required, before setting up customer premises equipment, if proper earthing is not available then User department will make the necessary arrangements for proper earthing. However, the existing earthing at respective location can also be utilized with proper permission from department.
9. Wherever the connectivity is provided as managed service, Successful Bidders/Empaneled Service Providers are responsible for the deployment of necessary protective equipment/devices for the protection of Customer End devices supplied or installed by the bidder like Rack for safety and any other devices required against any electrical issues like surge etc., except UPS.
10. Tower or any other CPE equipment installed by the bidder at Government building premises is permitted to be used only for providing the MPSWAN connectivity. For any other connectivity, the approval of the Managing Director, MPSEDC will be required.
11. The tower installed by any of the empanelled bidders is allowed to be used by the other empanelled bidders at POP locations only for provisioning of MPSWAN connectivity.
12. If the service provider wishes to use the telecom infrastructure for establishing or enhancing telecom network/coverage in that area, then in that condition it can only be used with formal approval and necessary permissions from the concerned regulatory authorities.
13. In case of connectivity through OFC, the bidder should plan proper routing and entry to POP/Horizontal Office.
14. The network connectivity to be established between POP and horizontal

client has to be direct without any transit hops.

15. During installation/ uninstall of any equipment, Successful Bidders/Empaneled Service Providers shall not damage to government buildings/ premises/ property. However, if any damage occurs, the Successful Bidders/Empaneled Service Providers shall restore it to the original state at their own cost up to the satisfaction of the MPSEDC. Trenches, path/road-cutting etc. should be back-filled and restored to the original condition immediately after laying of the conduit/cable at no extra cost to the purchaser.
16. Successful Bidders/Empaneled Service Providers shall also plug conduits and entrance holes where the cabling has been installed with suitable sealing material. All the cables shall be laid with proper casing by the Successful Bidders/Empaneled Service Providers.
17. Successful Bidders/Empaneled Service Providers shall perform the work in a conscientious manner as per applicable regulatory and safety norms. Approvals required, if any, shall be obtained by the Successful Bidders/Empaneled Service Providers at his own cost. If any delay due to the permissions from the government departments, then in such cases, the empanelled bidder may request MPSEDC to exclude such time duration from defined implementation timelines.
18. The Successful Bidders/Empaneled Service Providers must obtain the required permission for laying OFC through buildings/electric pole, wherever required, and deposit the charges prescribed by the concerned authority. MPSEDC shall extend help in obtaining such permission expeditiously.
19. OFC/RF Equipment and End office equipment for OFC/Wireless connectivity (like Mux, Tower, Radio equipment, CPE, Optical to electrical convertor and any IP addresses if required etc.) are to be installed by the Empanelled bidder /Service Provider (SP) based on mode of connectivity without additional cost/rent to MPSEDC. This equipment shall be recovered by the SP/bidder at the end of the project period.
20. The Successful Bidders/Empaneled Service Providers will be responsible

to install RF Tower and related accessories to provide the committed/desired service at POP / HO offices.

21. The MPSEDC will inform to Successful Bidders/Empaneled Service Providers before one month for any shifting related activity. The empanelled bidder will plan shifting and perform the activity with prior approval of any downtime during shifting. No cost will be paid by MPSEDC to empanelled bidder for any shifting related activity.
22. MPSEDC will not issue the separate workorder for the shifting and neither cancel the issued workorder for the existing location, shifting of link will be part of the same workorder issued.
23. If POP/HO offices is shifting to any other location in the same city, then the Successful Bidders/Empaneled Service Providers will be responsible for shifting of RF tower and all accessories/OFC to provide committed/desired service at the new POP / HO location(s). If height of tower increases to clear the Line of Site, then the successful bidder will install the same without any additional cost.
24. The Empanelled bidder will be responsible to provide solution for frequent electrical issues occur on Horizontal Offices due to that network availability and reachability are impacted.
25. Any other activity or required CPE equipment including (Router/Layer3 Switch etc.) to keep the set-up functional to its full capacity shall be the responsibility of the Successful Bidders/Empaneled Service Providers.
26. Successful Bidders/Empaneled Service Providers shall carry outside survey in consultation with MPSEDC at each location and submit the site plan for tower erection to MPSEDC.
27. Successful Bidders/Empaneled Service Providers may utilize the existing Tower installed at POP/horizontal offices subject to the availability of the infrastructure. However, bidder has to follow the applicable regulatory and safety norms. MPSEDC is not responsible for any kind of damage or loss of equipment or manpower deployed during the use of available infrastructure. As MPSEDC POP already have the Tower installed at all POP locations in Madhya Pradesh, and its maintenance is under already

empaneled vendor till their contract period. After completion of existing contract, the responsibility of maintenance of same tower will come under new empaneled vendor of this RFP.

28. Bidders must keep the cable length under consideration while finalizing location.
29. Successful Bidders/Empaneled Service Providers will Support MPSEDC for enabling the auto-ticketing in the NMS of MPSEDC by providing the SNMP access for monitoring the link status and enable the feature on CPE equipment to capture the Packet Loss, Latency and Jitter data for storing and monitoring in MPSWAN NMS. The reports generated from MPSWAN NMS will be used for SLA calculations.
30. The tickets created in MPSWAN NMS will be assigned to the empaneled bidder through MPSWAN NMS and the available SPOC has to update the ticket for future references and SLA calculations. The connectivity requirement will be shared with empaneled bidders as per requirement during entire contract duration, however it is clarified that link duration shall be co-terminus with contract duration i.e., 3 years after the date of agreement and the period of extension if any. To further clarify, for example, the link established in second year of contract as per agreement will be valid for remaining period of contract only.
31. The Successful Bidders/Empaneled Service Providers is required to survey end-office feasibility at its own cost. The bidder needs to collect the GPS coordinates of the client location by a physical visit to the site. The bidder is required to mark the Horizontal offices listed by MPSEDC.
32. In order to provide RF connectivity to the offices, the Successful Bidders/Empaneled Service Providers is required to setup a narrow base, self-supporting tower upto 40 Mtr (height) at DHQ, BHQs POP or other locations as per MPSEDC's requirement with necessary specifications. BTS Tower installation shall include Construction of BTS Tower foundation, tower erection, earthing and installation and commissioning of tower equipment. The BTS Tower should be self-supporting bearing wind speed up to 170 Kmph. Its design should be as per TEC GR no.

GR/TWR-12/01.JUN.2005 or designed by any IIT/Govt NIT college. After construction, Structural safety certificate of pole/tower from an empaneled structural engineer, who should be empaneled in Government of MP department like PWD or local Municipal Corporation, should be submitted for each tower. The Tower design submitted by the bidder shall be reviewed by MPSEDC. The modifications proposed by MPSEDC subject to necessary approvals by any IIT/Govt NIT college shall have to be incorporated by the selected empanelled bidder.

33. If the connectivity is provided on RF suitable RCC foundation based on the site condition, local terrain, soil conditions, nature of sub soil, water table and its seasonal variations etc shall be laid. Foundation shall be protected by provision of pitching work on sloping terrain to protect the foundation from erosion. Necessary Civil engineering standards, procedures and tests need to be followed by the bidder.
34. If the connectivity is provided on RF, tower members should be galvanized. Non-galvanized steel structures such as Anchor bolts etc. should be painted with red oxide coating and followed by the necessary paint as per IS standards.
35. If the connectivity is provided on RF, tower sections shall be of bolted construction to permit in-service replacement of members. Shop welding shall be kept to a minimum and field welding is not permitted.
36. If the connectivity is provided on RF the tower shall be provided with a suitably designed complete system of lightning protection including necessary earthing based on the specific resistivity of the soil and sub-soil water level. The cable run between the tower top to tower base and tower base to transmitter building shall be laid through G.I. pipes/ cable tray.
37. If the connectivity is provided on RF provisions shall be made and all material pervaded for the installation of an internal climbing ladder from the base to the tower top. Required aviation light as per guidelines/regulation to be deployed.
38. Indoor POP equipment shall be installed in the rack. The rack space and

UPS power shall be provided by MPSEDC.

39. The wiring/cabling should be done as per industry standards and should be properly marked/labeled for easy identification.
40. The Successful Bidders/Empaneled Service Providers is required to carry out a physical survey of the end-office, if the connectivity has to be provided on RF the empanelled bidder has to identify the building height and tower/Pole height. Pole erection up to a height of 6 Mtrs shall be permitted at end-office. Above 6 Mtrs, towers the End-Office Tower should be self-supporting bearing wind speed up to 170 Kmph. Its design should be as per GR/TWR- 09/01.FEB.2004 or designed by any IIT/Govt NIT college for the height approved by MPSEDC. After construction, Structural safety certificate of pole/tower from an empanelled structural engineer, who should be empanelled in Government of MP department like PWD or local Municipal Corporation, should be submitted for each tower. Wherever the Rooftop Towers are, erected empanelled bidder has to submit the structural stability certificate of the building from a empanelled structural engineer of GoMP department like PWD or local Municipal Corporation. The pole at end-office should be designed and fixed as per industry standards. The Antenna, RF equipment (as per site requirement) should be fixed up properly.
41. If Successful Bidders/Empaneled Service Providers will use existing tower/pole or install new tower/ pole, then take all precautionary measures (Properly painted, all screw/guy rope should be properly tightened and not be corrosive/rusted) to protect from the damage, and proper earthing with lightning arrestors will be the responsibility of the bidder and those equipment shall be returned to MPSEDC in usable condition.
42. If any link is not performing well or failing to achieve the SLA or MPSEDC/User department doesn't want to continue the link then MPSEDC will inform to Successful bidder/Empanelled Service provide in one month advance and link will be considered as cancelled, no further payment will be processed by MPSEDC for that respective link.

43. Any Technically not feasible Site over RF would have to be connected to MPSWAN Network by newer technology like LTE/4G/5G. The network configuration would be maintained as L2/L3 secure connectivity between the remote and Central Site. No additional Hardware would be deployed by MPSEDC for the same.

D. Provisioning of Hardware/ Software at site

- i. The Successful Bidders/Empaneled Service Providers shall ensure provisioning of all the required Hardware /Software/Software Licenses etc. to establish the connectivity as per the requirements.
- ii. Any network communication equipment (Like RF devices, OFC OLT/ONU etc. provided by the successful bidder must be MTCTE certified.
- iii. All network devices must be IPv6 enabled from the day-one and its configuration will be the responsibility of the successful bidder.

E. Integration of Installed Hardware/Software

- i. Integration with existing MP SWAN Network: The Successful Bidders/Empaneled Service Providers shall be responsible for integrating the Network with the existing SWAN Network.
- ii. The Successful Bidders/Empaneled Service Providers shall configure the devices installed in various locations in consultation with MPSEDC. The IP Schema for the installed system shall be provided by MPSEDC.
- iii. The Successful Bidders/Empaneled Service Providers shall ensure that supplied devices are detected in MPSWAN NMS. Presently MPSEDC has deployed Darpan NMS/EMS solution.
- iv. Integration with existing Internet gateway available under SWAN project.

F. Testing and Commissioning of the Link

a) The Successful Bidders/Empaneled Service Providers shall be responsible for preparation and submission of detailed UAT schedules/ procedures/ formats. After acceptance of UAT reports by MPSEDC, the entire infrastructure (including network) would be deemed to have been commissioned.

- i. Successful Bidders/Empaneled Service Providers will be assigned the new connectivity request through the defined process embedded in the MPSWAN portal.
- ii. After successful establishment of links at the designated locations, Successful Bidders/Empaneled Service Providers shall inform MPSEDC about the same and submit a request for Acceptance Testing (AT) of each

- link by MPSEDC, at the end of the month OR on completion of the work order OR One Horizontal Office connectivity.
- iii. Successful Bidders/Empaneled Service Providers shall assist MPSEDC in conducting Acceptance Testing.
 - iv. UAT request for a particular PO/Horizontal Office can be raised by the Successful Bidders/Empaneled Service Providers.
 - v. Link(s), if any, not passing the Acceptance Test, shall be rectified by the Bidder/SP within 7 days with a request for re-test by MPSEDC. If any link fails the AT repeatedly more than 3 times, it may be got removed by MPSEDC, without any claim for payment to Successful Bidders/Empaneled Service Providers.
 - vi. On successful AT by MPSEDC of the link, the event shall be marked as the “Date of Commissioning”. Installation Reports and Test Reports uploaded in MPSWAN Portal for further verification and closer of SWAN Connectivity Request.
 - vii. In case of delay/ non-completion of work by Bidder/SP at any designated location(s) due to reasons not attributable to the Bidder/SP, the delay shall not be counted on the part of bidder/SP and no penalty shall be imposed for such links.

G. User Acceptance Test

UAT of each link shall include the following tests, which are essential requirements under the project: -

- (a) Ping Test: Ping test of the link between end offices.
- (b) Link Discovery: Link to be discovered on NMS of MPSEDC with the generation of all reports required for SLA computation.
Reports required for SLA Computation are:
 - i. Link Availability & Reachability
 - ii. Packet loss
 - iii. Latency
 - iv. Jitter
- (c) Performance Test

H. Performance Test Methodology

A. For OFC Underground/Overhead Links

1. **Latency (Round-trip):** The average round trip delay for 1000 diagnostic packets of 1500 bytes each between respective end offices should be less than 50 milliseconds.
2. **Packet Loss:** Packet loss for 1000 diagnostic packets of 100 bytes each to transit from end office to SHQ/POP equipment should be less than 1%. Three such consecutive tests shall be performed with a time interval of 5 min each to verify the packet loss/ drop percentage in each link.

3. **Load Test:** A file transfer test between respective end offices using FTP maybe done to verify the effective bandwidth/ throughput, if felt necessary by MPSEDC.

B. For P2P/RF Links

1. **Latency (Round-trip):** The average round trip delay for 1000 diagnostic packets of 1500 bytes each between respective end offices should be less than 80 milliseconds.
2. **Packet Loss:** Packet loss for 1000 diagnostic packets of 1500 bytes each to transit from SHQ/PoP Equipment to respective horizontal office equipment should be <1%. Three such consecutive tests shall be performed with a time interval of 5 min each to verify the packet loss/ drop percentage in each link.
3. **Load Test:** A file transfer test between respective end offices using FTP maybe done to verify the effective bandwidth/ throughput, if felt necessary by MPSEDC.

C. For Internet

1. **Latency (Round-trip):** ISP's Latency will be determined by round trip delay from ISP's any edge router in INDIA & terminating point with upstream service provider. It will be measured by standard 1000 packets of 64-byte ping.
2. **Packet Loss:** Packet drop will be under SLA as per the below mentioned table:

Table 2: Internet Latency, Packet drop

Peering Points	Round Trip Delay between ISP Gateway Router and ISP upstream peering point	Packet drop
8.8.8.8 or any public IP mutually agreed by MPSEDC & Service Provider	Less than equals to 80 ms	Less than equals to 1%

3. **Load Test:** A file transfer test between respective end offices using FTP may be done to verify the effective bandwidth/ throughput, if felt necessary by MPSEDC.
- i. Connectivity at any particular location, if any, not passing the UAT, shall be rectified by the Empanelled bidder in a timely manner i.e. 7 days with a request for re-test by MPSEDC/ designated agency. If any connectivity fails the UAT repeatedly, MPSEDC may ask Empanelled Bidder to remove the device, without any claim for payment to Empanelled Bidder. The clause related to "Liquidated Damages (LD)" shall be applicable in such a case for the respective site and MPSEDC/Authorized agency of MPSEDC will issue the workorder to another empanelled bidder based on the discretion.
 - ii. On successful UAT by MPSEDC/ designated agency, the event shall be

marked as the “Date of Commissioning” of the site. However, in case of delay/ non-completion of work by empanelled bidder at any site(s) due to reasons not attributable to the empanelled bidder, MPSEDC may, at its own discretion, treat the last day of the successful UAT of the commissioned Network (excluding the delayed and non-feasible sites) as the “Date of Commissioning” of the project.

- iii. For site(s), which are commissioned after the “Date of Commissioning” of the project, the “Date of Commissioning” of the network for such sites shall be the date of UAT of the network by the MPSEDC/ designated agency.
- iv. Documentation: Provide technical documentation with equipment supplied. The technical documentation should include technical manuals and operation manuals.

I. Maintenance and Support

The Successful bidder / empaneled service provider shall be responsible for providing maintenance and support services for a period of 3 (Three) years from the date of commissioning of the Phase/project.

a. Maintenance Support Services

The empanelled bidder shall:

1. Maintain the required SLA for a period of 3 years from the date of commissioning or till co-terminus duration.
2. Ensure that adequate spares are retained at all times to meet onsite warranty/support and SLA requirements.
3. Provide a standby system of similar or higher configuration when the fault is not rectifiable within the stipulated time frame or the faulty equipment is declared obsolete by the respective OEM.
4. The maintenance services involve comprehensive maintenance of all components covered under the contract, including repairing, replacement of parts, modules, sub-modules, assemblies, sub-assemblies, spare parts, updating, security alerts and patch uploading etc. to make the system operational.
5. The Successful Bidders/Empaneled Service Providers shall also be responsible for replacement of equipment in case of theft. Bidders may refer to clause ‘Insurance’ in the RFP. MPSEDC shall extend required coordination in filing the FIR, whenever required.
6. The Successful Bidders/Empaneled Service Providers shall provide preventive maintenance services for all the equipment at least once in every six months. The preventive maintenance shall include:
 - i. Check for requisite tightness of the bolts of the Tower.
 - ii. Check for any loose contacts in the cables & connections.

- iii. Conduct preventive maintenance (including inspection, testing, satisfactory execution of diagnostics and necessary repairing of the equipment).
- iv. Cleaning and removal of dust and dirt from the interior and exterior of the equipment.
- v. Preventive Maintenance Activities of components as per their manufacture's recommendation/ advice.
- vi. The Preventive Maintenance shall be carried out in Non-Prime Hours only under intimation to MPSEDC.

b) Facility Management Services:

Successful Bidder/Empaneled Bidder/SP needs to depute a technical resource at MPSEDC, Bhopal as defined in the RFP for handling day-to-day issues/problems/ monitoring of the network and to coordinate with the concerned officers of designated locations.

The technical resource deployed shall have to provide troubleshooting and management of commissioned hardware/ software. As such, they must be adequately trained.

Successful Bidders/Empaneled Service Providers, has to deploy at least one field engineers at each districts with required machines and tools for smooth implementation /functioning/ O&M of the project, at no extra cost will be paid by MPSEDC.

J. MIS Reports:

The Successful Bidders/Empaneled Service Providers shall have to ensure that basic reports shall be configured and available online.

MPSEDC may ask to submit any report as and when required. The minimum reports required are as: -

- i. Install, Move, Add, Change Report (IMAC) of hardware.
- ii. Preventive Maintenance Reports of equipment supplied and commissioned.
- iii. Network uptime report of all/any network devices.
- iv. Device level User Log Reports
- v. Report on changes like configuration changes, patch upgrades, database reorganization.

Note: The formats for all the reports shall be prepared by the Successful Bidders/Empaneled Service Providers and submitted to MPSEDC for approval.

The reports submitted by the empanelled bidder should strictly be in the approved format. The formats are subject to revise as per requirements from time to time

c) Reconfiguration of equipment /software commissioned under the project: Whenever required, the Successful Bidders/Empaneled Service Providers shall reconfigure the equipment /software commissioned under the project to meet the needs of the MPSEDC.

Project Deliverables, Payment Terms & Conditions The milestones, deliverables and time schedule for the implementation of project shall be as follows for each bidder: -

K. Delivery Schedule/Implementation Timelines

Implementation and deployment timeline is as per the following table:

Table: Timelines for Implementation

T is the event marking date of issue of work order to the Successful Bidders/Empaneled Service Providers.

S. No	Level	Link Commissioning timeline (Excluding UAT period and T is the date of Work order acceptance of respective links)
1	Links (Horizontal offices) (Upto 100 Sites)	T+4 Weeks
2	Links (Horizontal offices) (More than 100 Sites and up to 200 sites)	T+8 Weeks
Note: For additional sites above 200 i.e., from 1 up to 25 one additional week separately will be given for commissioning. (Example: For 201 to 225 sites, T+9 Weeks would be considered and for 226 to 250 sites T+10 weeks would be considered.)		

Successful Bidders/Empaneled Service Providers is expected to adhere to the above timelines for the implementation. However, in case of any reasons, and if Managing Director, MPSEDC is satisfied about the reason for delay, the Managing Director, MPSEDC may allow the service provider to deviate from the timeline. Penalty clauses are applicable for delay in implementation and commissioning of the links.

L. Payment Schedule:

Payment shall be done by MPSEDC as per the following terms:

S.No	Payment Schedule	Amount
-------------	-------------------------	---------------

1	On successful installation and commissioning of equipment at each site.	@ 30% of work order value subject to successful installation, commissioning & discovery of sites in SWAN NMS.
2	At the end of each quarter (12 quarters)	@ 5.833 % of work order value per quarter as mentioned.

1. The payment to the Successful Bidders/Empaneled Service Providers will be 30% of the work order value subject to successful installation and commissioning of sites, which includes the hardware installation and commissioning at POP and horizontal offices after verification/validation by MPSEDC. Further, for the remaining quarters till the contract period, the bidder would be paid @ 5.833 % of the work order value as mentioned.
2. In case of installation & commissioning of any new site during the contract period, for example on the second or third year of the contract, the bidder would be paid 30% of the work order value on successful installation and commissioning of sites. Further, for the remaining quarters till the contract period, the bidder would be paid @ 5.833 % of the work order value per quarter as mentioned. The new sites so commissioned will be co-terminus with the contract duration in nature.
3. The quarterly payment will be subject to the satisfactory assessment done by MPSEDC for the Successful Bidders/Empaneled Service Providers activities. A bill in triplicate (for the audit and independent monitoring) shall be submitted to MPSEDC. In case of non-satisfactory performance, penalty as per defined SLA shall be recovered quarterly basis.
4. All payments under this Agreement shall be made to the account of the Successful Bidders/Empaneled Service Providers as may be notified to MPSEDC by the Successful Bidders/Empaneled Service Providers. The bills for the purpose of payment shall be submitted to MPSEDC, Bhopal. No interest shall be payable on delayed payments due to whatsoever reason.
5. The time specified for delivery and other activities as mentioned in this document shall be deemed the essence of the contract and the Successful Bidders/Empaneled Service Providers shall arrange supplies and provide the required services within the specified period.
6. It should be noted that any delay in the project timelines should attract Liquidated Damages to the selected Bidder(s).

M. Service Level Agreement (SLA) & Penalties

1. SLA Objectives

Successful Bidders/Empaneled Service Providers shall provide services as per SLA matrix, which defines maximum acceptable response as well as rectification time for resolving the problem.

2. SLA Duration Timings: 24x7

3. SLA Severity Levels Defined

The severity level of each component defines by its importance in the infrastructure and its impact in case of failure as detailed below.

(i) Severity Level-1: All components will be covered under severity level 1 are as under-

- Connectivity equipment at SHQ, CHQ, DHQ POPs.
- Central equipment installed at State Data Centre/SHQ like Controller, NMS etc.
- Equipment installed at user end/remote location like CPE, Directional Antenna, power injectors, cables ONT/ONU etc. at SHQ/CHQ/DHQ

(ii) Severity Level-2: All components will be covered under severity level II are as under-

- Connectivity equipment installed at BHQ POP.

(iii) Severity Level-3: All components will be covered under severity level 3 are as under-

Note:- The Downtime would be calculated for each item from the time the fault ticket is assigned to the empanelled bidder in MPSWAN NMS. **“T(FT)”**: Time from when the ticket is assigned to the empanelled bidder in MPSWAN NMS.

“Per day”: As per above mentioned penalty table Per day means the time beyond the permissible limit, which means any duration beyond the defined time limit would be considered as applicable penalty time of full-day.

MPSEDC has deployed its NMS tool for monitoring and ticket creation, FMS team of MPSEDC will create ticket in NMS tools and email will be sent to bidders email id. Time stamp of email shall be considered for all SLA and penalty calculations.

Maximum penalty imposed on the selected bidder will be limited to 20% combined (Implementation and Services) of the total contract value. If penalty imposed on selected bidder is beyond 25% of quarterly amount in two consecutive quarters, then MPSEDC may decide to terminate the contract and forfeit the security deposit submitted by selected bidder.

Implementation period for providing connectivity is mentioned by MPSEDC and If Service Provider is meeting the SLA parameters for implementation period, no implementation related penalty should be levied on the quarterly charges.

The above-mentioned penalty would be imposed on the commissioned links and if none of the links are commissioned in the given time frame then penalty would be deducted from any of the payable amount under the agreement and if the above mentioned penalty amount is higher than the payable amount the MPSEDC will deduct it from the future payments or from PBG.

5. Planned Down Time

- (i) The Successful Bidders/Empaneled Service Providers has to seek prior approval from the purchaser/ designated agency for the planned downtime required, if any.
- (ii) The planned downtime would not be added to the SLA downtime.
- (iii) Planned downtime shall generally be permitted during night hours on holidays.

6. SLA Exclusion Time

1. Downtime caused by failure of Equipment maintained by the MPSWAN Network Operator/MPSEDC
2. In case the Down time caused due to beyond the Scope of Service Provider the period will not be considered as down time of the link. The Service Provider should submit the supporting evidence for consideration including definite proof for duration. Empanelled Bidder has to restore the links.
3. Power outage: Downtime caused due to non-availability of power at CHQ/DHQ/BHQ & Horizontal offices location.
4. Scheduled Preventive Maintenance activity of the network equipment's at all

CHQ/DHQ/BHQ & Horizontal offices is not attributed to Service Provider.

5. Any scheduled and approved preventive maintenance activity of RF equipment at all CHQ/DHQ/BHQ & Horizontal offices is not accountable for calculations of penalties.
6. Service Provider should submit the SLA exclusion report with proper evidence to MPSEDC of each QGR period.
7. If the Service Provider unable to submit the SLA exclusion report in time (Reports of the previous quarter shall be submitted by 7th of upcoming month), MPSEDC will not consider the same for down time calculations.
8. Co-ordination with MPSWAN Network Operator and TPA

It shall be the responsibility of the Successful Bidders/Empaneled Service Providers to ensure that the link is made up and running within the agreed service levels, failing which penalties shall be levied on the empanelled bidder. Empanelled bidder will also provide necessary support to Third Party Auditor for proactive monitoring of links and calculation of any sort of penalty levied on Service Provider in case of empanelled bidder fault.

- 3.3 At the opening of the Technical Proposals, the following shall be read out and recorded online simultaneously: (i) the name of the Bidder and (ii) any other information deemed appropriate or as indicated in the Data Sheet.

4. Proposal Evaluation

- 4.1 The evaluators of the Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.
- 4.2 The Bidder/Service Providers is not permitted to alter or modify its Proposal in any way after the proposal submission deadline. While evaluating the Proposals, the Purchaser shall conduct the evaluation solely based on the submitted Technical and Financial Proposals.
- 4.3 Bidder/Service Providers must bid for 100% of the value of the work as under the Tender document. Failure to do so shall be considered an incomplete bid response and the proposal shall be rejected.

(i) Technical Proposal Evaluation

- 4.4 Bid Evaluation Committee shall first validate whether the Bidders have paid EMD and, after that evaluate the Technical Proposals based on their responsiveness to the Scope of Work and the RFP, applying the evaluation criteria, specified under Section III: Evaluation and Qualification Criteria. A Proposal shall be rejected at this stage at the Purchaser's discretion if it does not respond to important aspects of the RFP.
- 4.5 Bidder/Service Providers may be asked for any clarification regarding the Technical Proposal in writing which has to be responded to by Bidder on time.
- 4.6 If the Bidder does not provide clarifications of its bid by the date and time set in the Purchaser's request for clarification, the bids may be evaluated based on the information available with the Purchaser.
- 4.7 Bidder/Service Providers meeting the minimum technical criteria may be asked to give a demonstration of the envisaged solution to the Purchaser.
- 4.8 Bidder/Service Providers may be required to present the proposed solution before the Evaluation Committee. Date for the presentation shall be communicated to all the Bidders through email if required.
- 4.9 The decision of the Evaluation Committee in the evaluation of bids shall be final. No correspondence will be entertained outside the process of evaluation.

(ii) Financial Proposal Evaluation

- 4.10 After the technical evaluation is completed, the Purchaser shall notify those Bidder/Service Providers whose Proposals were considered non-responsive to the RFP by sending a notification through the means indicated in the Data Sheet. The notification shall also include information relating to the Bidder's qualification/disqualification status based on technical criteria.
- 4.11 Financial Proposals of those Bidder/Service Providers whose Technical Proposals did not meet the minimum technical criteria shall not be opened. In such case, a notification to that effect will be sent to the Bidder/Service Providers. The Purchaser shall simultaneously notify those Bidders who meet the minimum technical criteria and inform them of the

date, time and, if indicated in the Data Sheet, location for online opening of the Financial Proposals. The Bidder's attendance at the opening of the Financial Proposals (online, or in person, if such option is indicated in the Data Sheet) is optional and is at the Bidder's choice. If the Data Sheet provides an option of attending in person, the opening date should allow the Bidders sufficient time to make arrangements for attending the opening.

- 4.12 The Financial Proposals shall be opened online by the Evaluation Committee. At the opening, the names of the Bidders those are qualifying the minimum technical criteria shall be read aloud first and recorded online simultaneously. The Financial Proposals shall then be opened, the total prices read aloud and recorded online simultaneously. The records of the opening shall remain on the portal for the information of the Bidders who submitted Proposals and the Purchaser unless the Data Sheet provides for other means of sending notifications and the results of the financial opening.
- 4.13 The bid award criterion is as specified in the Data Sheet.

5. Correction of Errors

- 5.1 Activities and items described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, and no corrections are made to the Financial Proposal.
- 5.2 The Bidder/Service Providers is deemed to have included all prices in the Financial Proposal, so neither arithmetical corrections nor price adjustments shall be made. The total price specified in the Financial Proposal shall be considered as the offered price.
- 5.3 If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail.
- 5.4 If there is an error in a Total or Grand Total corresponding to the addition or subtraction of subtotals and the total mentioned, the subtotals shall prevail, and the Total or Grand total shall be corrected.
- 5.5 If a Bidder does not accept the correction of errors, its bid will be rejected, and its bid security may be forfeited.

 4. Link wise payment shall be released by MPSEDC on quarterly basis at the end of each quarter after recovery of penalties as per SLA defined in this tender document. Penalty as per TPA SLA calculations shall be applicable.

4. Empanelment Criteria

Following Empanelment criteria shall be followed:

- 4.1 L1 would be identified for entire "Table-A" as mentioned in financial bid (Table-A).
- 4.2 The lowest price quoted by the bidder for entire Table-A would be declared

- as L1 the successful bidder, and other eligible bidders who agree to accept the quoted rates of L1 bidder are eligible for Empanelment.
- 4.3 L1 rates will be declared and offered for the Empanelment to other interested eligible bidders.
 - 4.4 Interested eligible Bidders/Service Provider for the Empanelment have to submit a declaration letter of acceptance to match the L1 prices discovered after the tender evaluation process. Only the service providers who have participated in the bid are eligible for Empanelment.
 - 4.5 Interested eligible Bidders/Service Provider have to submit the acceptance of L1 rates.
 - 4.6 The interested eligible Bidders/Service Provider have to submit their formal acceptance within 7 working days of receiving the Letter of Empanelment issued by MPSEDC, if any of the bidders fails to submit their acceptance within 7 working days would not be eligible in empaneling process and considered as disqualified besides if the extension of acceptance time is approved by MD MPSEDC.
 - 4.7 In the event that L1 Bidders/Service Provider withdraws or is not ready for Empanelment for any reason, MPSEDC may invite the bidder with next lowest rate L2 bidder for engagement, provided L2 bidder is ready to accept the rate quoted by L1 bidder.
 - 4.8 The option to match L1 rates will be given in sequence to Bidders/Service Provider (whose proposed rates will be within the range of 30% of the rates quoted as L1) as L2 & L3 so on until 3 successful Bidders/Service Provider are empanelled at L1 rates.
 - 4.9 In exceptional situation, at the discretion of MD MPSEDC, MPSEDC may consider empaneling more than 3 Bidders/Service Provider at L1 rates or may consider relaxing range of 30% rates for Empanelment as mentioned in points above.

5. Distribution of Work

MPSEDC would follow the below mentioned approach in offering the connectivity locations to the empanelled bidders. However, MPSEDC reserves the right to redefine the process of work distribution. The work shall be awarded to three Bidders/Service Provider in the manner mentioned below:-

- 5.1 MPSEDC will follow the below mentioned approach for work distribution at L1 rates:

S.No	Bidders in Sequence	Locations offered for Connectivity
1	L1 Bidder	Up to 50%
2	L2 Bidder	Up to 30%
3	L3 Bidder	Up to 20%
Note: 1. During the distribution of sites if any fractional values are observed then any value below 0.5 will be considered as lower number and any value, which is 0.5 or higher, will be considered as higher number. 2. The above-mentioned count of locations may vary in the range of +/-		

5% of the total count.

- 5.2 If any bidder in sequence of L1,L2,L3 bidder disagrees with the rates offered, the next interested eligible bidders (L2,L3 etc..), shall be offered L-1 rates. If all the bidders disagree to accept L1 rates, the complete work shall be awarded to the L1 bidder. If only two bidders are qualified then distribution of work in ratio of 60:40 i.e. 60% to L1 and 40% to second empanelled bidder.
- 5.3 If the bidder fails to complete the tenure of the services then the link along with the equipment may be allotted to the other empanelled vendors for providing the services and the remaining quarterly charges will be paid to the other vendor.
- 5.4 Process of Work Allocation to empanelled bidders:

Step 1: Work Order

- a. MPSEDC would issue the work order for the selected locations to empanelled bidders.
- b. Timelines for the commissioning of the links will be as per table 'Timelines for Implementation' as defined under Section 2 – Clause (L) Schedule of Requirement.

Step 2: Not Commissioned – After the allowed timeline

- a. Applicable penalty for not commissioning would be imposed for delay in commissioning.
 - b. It would be the sole discretion of MPSEDC for giving the non-commissioned links to other empanelled bidders.
- 5.5 Successful Bidders / Empanelled Service Provider are bound to provide the connectivity on the defined allocations and if the bidder fails to provide the connectivity, then applicable penalties would be imposed, however allocation percentage may be changed based on requirements at the discretion of MPSEDC during the period of contract.

- 12.1 MPSEDC shall own and have a right in perpetuity to use all newly created Intellectual Property Rights which have solely arisen out of or have been developed solely during execution of the Agreement, including but not limited to all processes, products, specifications, reports, drawings and other documents which have been newly created and developed by the Bidder solely during the performance of the Services / delivery of Products and for the purposes of, inter-alia, use or sub-license of such Services under the Agreement. The Bidder undertakes to disclose all such Intellectual Property Rights arising in performance of the Services to MPSEDC and execute all such agreements/documents and file all relevant applications, effect transfers and obtain all permits and approvals that may be necessary in this regard to effectively transfer and conserve the Intellectual Property Rights of MPSEDC.
- 12.2 Any / all Intellectual Property owned by the MPSEDC prior to the execution date and/ or any Intellectual Property Right applied for prior to the execution date shall strictly vest with the MPSEDC and the Bidder shall have no right whatsoever on such Intellectual Property.
- 12.3 Pre-existing work: All intellectual property rights existing prior to the date of execution of the agreement shall belong to the Party that owned such rights immediately prior to such date. Subject to the foregoing, MPSEDC

will also have rights to use and copy all intellectual property rights, process, specifications, reports and other document, drawings, manuals provided or used by the Bidder as part of the Scope of Works under the RFP on non-exclusive, non-transferable, perpetual, royalty-free license to use basis.

- 12.4 Bidder shall be obliged to ensure that all approvals, registrations, assignments, licenses, permits and rights etc. which are inter-alia necessary for use of the products, deliverables, services, applications , services etc. provided by the Bidder under the RFP shall be acquired in the name of the MPSEDC and Bidder shall have the non-exclusive, non-transferable, revocable, limited right to use such licenses till the term of the agreement, on behalf of the MPSEDC, solely for the purpose of execution of any of its obligations under the terms of the RFP. However, subsequent to the term of the agreement, such approvals, registrations, assignments, licenses, permits and rights etc. shall perpetually endure to the exclusive benefit of the MPSEDC and the Bidder's right to use shall perish.
- 12.5 Third Party Products: If assignment / license agreements are necessary or appropriate between the Bidder and third parties for purposes of enabling / enforcing / implementing the provisions hereinabove, the Bidder shall enter into such agreements at its own sole cost, expense and risk and all such assignments / licenses etc. shall be bought in name of the MPSEDC, unless otherwise directed in writing by MPSEDC.
- 12.6 Transfer of Risk and ownership in Products: Subject to the terms of the RFP, Bidder shall sell, assign, convey, transfer and deliver to MPSEDC, and MPSEDC shall purchase, receive and accept from the Bidder, all right, title and interest in and to the products required to be provided by the Bidder as per the RFP. The Bidder shall not make any substitute for the products of any other model, capacity, or manufacturer without the prior written consent of MPSEDC which consent shall not be unreasonably delayed or withheld.
- 12.7 Bidder shall arrange for delivery of the Products to the delivery site identified by MPSEDC (the "Delivery Site") as per the Timelines provided in the RFP unless otherwise notified by MPSEDC. In addition to paying all transportation charges for the Products, the Bidder shall insure, and pay all insurance charges for the products.
- 12.8 Title to and ownership of the Products designated as being purchased by MPSEDC under the Contract hereunder shall remain vested in the Bidder until written acceptance by MPSEDC under the terms hereof, at which time title to and ownership of such products shall transfer to MPSEDC. Bidder

shall execute such documents as may be required by MPSEDC for documenting the transfer of title and ownership of products. Upon transfer of ownership of the Products to MPSEDC, the Bidder shall treat such Products as Assets as detailed above in the Agreement.

- 12.9 The Empanelled bidder shall not use the MPSEDC licensing credentials for the purpose of providing support services to any other client. In case the empanelled bidder found to be involved in such act, MPSEDC reserves the right to impose the maximum penalty of 20% of the Total Contract Value and may terminate the Contract.

13. Indemnity

13.1 General Indemnity

The Bidder (the "Indemnifying Party") undertakes to indemnify MPSEDC and its nominated agencies (the "Indemnified Party") from and against all losses, claims, damages, compensation liabilities, losses, expenses (including reasonable attorneys' fees), fines, penalties or taxes (Collectively "Loss") caused/claimed to/from MPSEDC due to any act and/or omission leading to breach of obligations of Service Provider under the agreement or on account of bodily injury, death or damage to tangible and intangible personal property arising in favour of any person, corporation or other entity (including the Indemnified Party) attributable to the Indemnifying Party's negligence, wilful default, lack of due care or breach of terms of the RFP.

13.2 IPR Indemnity

If the Indemnified Party promptly notifies the Indemnifying Party in writing of a third party claim against the Indemnified Party that any Products / Deliverables/ Services provided by the Indemnifying Party infringes a copyright, trade mark, trade secret, patent, design or other intellectual property rights of any third party, the Indemnifying Party will defend such claim at its expense and will pay any costs or damages that may be finally awarded against the Indemnified Party. The Indemnifying Party will not indemnify the Indemnified Party, however, if the claim of infringement is caused by (a) The Indemnified Party's misuse or modification of the deliverables; (b) The Indemnified Party's failure to use corrections or enhancements made available by the Indemnifying Party; (c) The Indemnified Party's use of the deliverables in combination with any product or information not owned or developed or supplied by the Indemnifying Party. If any of the deliverables is or likely to be held as infringing, the Indemnifying Party shall at its expense and option either (i) procure the right for the Indemnified Party to continue using it, (ii) replace it with a non-infringing equivalent, (iii) modify it to make it non-infringing.

13.3 Conditions of Indemnity

Without prejudice to the rights of MPSEDC in respect of indemnification for any

claim as stated above, a) MPSEDC shall notify the Bidder upon receipt of any notice of claim setting out in reasonable particulars, the details of such notice of claim; b) Immediately upon receipt of notification of any claim from the MPSEDC, the Bidder within a period of 5 days from date of receipt of such notice from the MPSEDC, notify the MPSEDC whether the Bidder wish to assume the defense in relation to such claim (including settlement or resolution thereof). Thereafter, the Bidder shall be entitled in consultation with the MPSEDC, and only to the extent such action does not in any manner compromise, prejudice or adversely affect the interests of the MPSEDC, to take such action as agreed upon by the MPSEDC to avoid, dispute, deny, resist, appeal, compromise or consent such claim, within a period of 30 days from the date of receipt of such claim notification; c) Notwithstanding anything contained herein, the Bidder and the MPSEDC agree and covenant that a notice by the MPSEDC to the Bidder in relation to the claim as aforesaid shall amount to express acceptance and consent by the Bidder to indemnify the MPSEDC for all losses in relation to such claim. Upon notice by the Bidder, the MPSEDC shall reasonably co-operate with the Bidder at the sole costs of the Bidder, only to the extent the same does not in any manner compromise, prejudice or adversely affect the rights of the MPSEDC. The MPSEDC shall have the right, at its option, to participate in the defense of such claim; d) If the Bidder fails to take any action as per the above clause within the time period as specified therein, the MPSEDC shall have the right, in its absolute discretion, to take such action as it may deem necessary to avoid, dispute, deny, resist, appeal, compromise or contest or settle any claim (including without limitation, making claims or counterclaims against third parties). If the Bidder does not assume control of the defense of such claims (as mentioned above), the entire defense, negotiation or settlement of such claim by the MPSEDC shall be deemed to have been consented to by, and shall be binding upon, Bidder as fully as though the Bidder alone had assumed the defense thereof and a judgement had been entered into by the Bidder, for such claim in respect of the settlement or judgement.

14. Warranty

14.1 It is advised that Successful empanelled bidder should install the equipment with comprehensive onsite warranty and support applicable on all products supplied under the Contract.

15. Limitation of Liability

15.1 The liability of the Bidder (whether in Contract, tort, negligence, strict liability in tort, by statute or otherwise) for any claim in any manner related to the Agreement, including the work, Deliverables or Products and Services covered by the RFP and the Agreement, shall be limited to the Total cumulative Contract Value.

- 15.2 Except as otherwise provided herein, the Bidder shall not be liable for any consequential, incidental, indirect, special or punitive damage, loss or expenses (including but not limited to business interruption, lost business, lost profits, or lost savings).
- 15.3 Notwithstanding anything contained in the foregoing, provisions contained in clause 16.1. shall be inapplicable in case of breach of indemnification obligations, confidentiality obligations and obligations of the Bidder to comply with the security and safety standards as laid down in this RFP.
- 15.4 The allocations of liability in this clause represent the agreed and bargained for understanding of the parties and compensation for the Services reflects such allocations. Each Party has a duty to mitigate the damages and any amounts payable under an indemnity that would otherwise be recoverable from the other Party pursuant to this Agreement by taking appropriate and commercially reasonable actions to reduce or limit the amount of such damages or amounts.

16. Sub-Contracting

- 16.1 The Bidder is not allowed to sub-Contract any work.

17. Liquidated Damages

- 17.1 In case the Successful Bidders/Empaneled Service Providers encounters conditions that are likely to affect the timely delivery of the systems and performance of Services during the performance of the Contract, they shall promptly notify MPSEDC in writing of the fact of the delay, its likely duration and its cause(s) with justification. As soon as practicable after receipt of the Successful Bidders/Empaneled Service Providers notice, MPSEDC shall evaluate the situation and may, at its discretion, extend the Successful Bidders/Empaneled Service Providers time for performance with or without liquidated damages. Except as provided above, a delay by the successful bidder in the performance of its delivery obligations shall render the successful empanelled bidder liable to the imposition of liquidated damages pursuant to conditions of Contract.

18. Audit, Access and Reporting

- 18.1 MPSEDC reserves the right to inspect and monitor/assess the progress of the project at any time during the course of the Contract, after providing due notice to the Bidder. MPSEDC may demand and upon such demand being made, MPSEDC shall be provided with any document, data, material or any other information which it may require, to enable it to assess the progress of the project.
- 18.2 MPSEDC shall also have the right to conduct, either itself or through

another agency as it may deem fit, an audit to monitor the performance by the Bidder of its obligations/functions in accordance with the standards committed to or required by MPSEDC and the Bidder undertakes to cooperate with and provide to MPSEDC/ any other agency appointed by MPSEDC, all documents and other details as may be required by them for this purpose. Any deviations or contravention, identified as a result of such audit/assessment, would need to be rectified by the Bidder failing which MPSEDC may, without prejudice to any other rights that it may have issue a notice of default.

- 18.3 Without prejudice to the foregoing, the Bidder shall allow access to MPSEDC or its nominated agencies to all information which is in the possession or control of the Bidder and which relates to the provision of the Products/Services/Deliverables.

19. Ambiguities within

1. In case of ambiguities or discrepancies within the agreement, the following principles shall apply: Agreement
2. As between two Clauses of the agreement, the provisions of a specific Clause relevant to the issue under consideration shall prevail over those in a general Clause;
3. As between the provisions of RFP and any corrigendum and clarifications issued thereafter, the provisions of the corrigendum and clarifications shall, to that extent only, prevail over the corresponding earlier provision of the RFP;
4. As between the provisions of the agreement and the RFP and the proposal, the agreement shall prevail;
5. As between the provisions of the RFP and the proposal, unless otherwise decided by the Purchaser, the RFP shall prevail; and
6. As between any value written in numerals and that in words, the value in words shall prevail.

B. Commencement, Completion, Modification and Termination of Contract

1. Effectiveness of Contract

- 1.1 This Contract shall come into force and effect on the date (the “Effective Date”) of the signing of Contract.

2. Time for Commencement and Completion

- 2.1 Bidder shall commence work as per the period specified in the RFP. Bidder shall thereafter proceed with the facilities in accordance with the time schedule specified in the Implementation Schedule and any refinements made in the Agreed and Finalized Project Plan.
- 2.2 Bidder shall attain Completion Certificate / Sign Off of such part as specified in the Contract, within the time stated in the RFP or within such extended time to which the Bidder shall be entitled.
- 2.3 After the completion of the 3 years support period of links, the same may be extended on a yearly basis (one + one year) for two years with the same terms and conditions of this RFP at the sole discretion of the MPSEDC.

3. Default

- 3.1 The failure on the part of Bidder to perform any of its obligations or comply with any of the terms of the RFP and the Contract shall constitute an Event of Default on the part of the Bidder. The events of default as mentioned above may include but not restricted to inter-alia the following:
- i. Event of Default by the Bidder
 - a) Bidder’s Team has failed to perform any instructions or directives issued by the MPSEDC which it deems proper and necessary to execute the scope of work or provide services under the RFP; and/or
 - b) Bidder’s team has failed to conform/adhere to any of the Service Level Agreements resulting in falling short of matching such standards / benchmarks / targets as the MPSEDC may have designated with respect to the system or any products, tasks or services, necessary for the execution of the scope of work and performance of services under the RFP and the Contract. The above mentioned failure on the part of the Bidder may be in terms of failure to adhere to performance, quality, timelines, specifications, requirements or any other criteria as defined by the MPSEDC; and / or the Bidder has failed to remedy a defect or failure to perform its obligations in accordance with the specifications issued by the MPSEDC from time to time, despite being served with a default notice which laid down the specific deviance on the part of the Bidder’s Team to comply with any stipulations or standards as laid down by the MPSEDC; and / or

- c) Bidder's Team has failed to adhere to any amended directions, instructions, modifications, notifications or clarifications as issued by the MPSEDC during the term of the Contract and which the MPSEDC deems proper and necessary for the execution of the scope of work under the Contract; and / or
 - d) Bidder's Team has failed to demonstrate or sustain any representation or warranty made by it in the Contract, with respect to any of the terms of its Bid, the RFP and the Contract; and / or
 - e) there is a proceeding for bankruptcy, insolvency, winding up or there is an appointment of receiver, liquidator, assignee, or similar official against or in relation to the Bidder; and / or

 - g) Bidder's Team has failed to comply with or adhere to any of the terms & conditions of the Contract.
 - h) Quality of products, deliverables and services consistently not being to the satisfaction of MPSEDC
 - i) Bidder has failed to remedy a failure to perform its obligations in accordance with the specifications issued by MPSEDC, despite being served with a default notice which laid down the specific deviance on the part of the Bidder to comply with any stipulations or standards as laid down by MPSEDC; or
 - j) Bidder or its team has failed to conform with any of the service specifications as set out in the RFP or the agreement or has failed to adhere to any amended direction, modification or clarification as issued by MPSEDC during the term of the agreement and which MPSEDC deems proper and necessary for the execution of the scope of work under the RFP.
- 3.2 Where there has been an occurrence of such defaults inter alia as stated above, the MPSEDC shall issue a notice of default to the Bidder, setting out specific defaults / deviances / omissions / non-compliances / non-performances and providing a notice of Sixty (60) days to enable such defaulting party to remedy the default committed.
- 3.3 Where despite the issuance of a default notice to the Bidder by the MPSEDC the Bidder fails to remedy the default to the satisfaction of the MPSEDC, the MPSEDC may, where it deems fit, issue to the defaulting party another default notice or proceed to adopt such remedies as may be available to the MPSEDC.
- ii. Consequence of Event of Default
- 3.4 Where an Event of Default subsists or remains uncured for more than 60 days from the date issue of notice of default the MPSEDC shall be entitled

to: a) Impose any such obligations and conditions and / or issue any directions / notifications / clarifications as may be necessary to inter alia ensure smooth continuation of the project and the services which the Bidder shall be obliged to comply with that may include re-determination of the consideration payable to the Bidder by MPSEDC and Bidder or through a third party acceptable to both parties. Bidder shall in addition take all available steps to minimize loss resulting from such event of default. b) Suspend all payments to the Bidder under the Contract by a written notice of suspension to the Bidder, provided that such notice of suspension:

- Shall specify the nature of the failure;
- Shall request the Bidder to remedy such failure within a specified period from the date of receipt of such notice of suspension by the Bidder.

c) Terminate the agreement in full or in part with advance notice by MPSEDC;

d) Retain such amounts from the payment due and payable by the MPSEDC to the Bidder as may be required to offset any losses caused to the MPSEDC as a result of such event of default and the Bidder shall compensate the MPSEDC for any such loss, damages or other costs, incurred by the MPSEDC in this regard. Nothing herein shall affect the continued obligation of the Bidder and Bidder's Team to perform all their obligations and responsibilities under the RFP and the Contract in an identical manner as were being performed before the occurrence of the default. e) Invoke the Performance Bank Guarantee and other Guarantees furnished hereunder, enforce the Indemnity, recover such other costs/losses and other amounts from the Bidder as may have resulted from such default and pursue such other rights and/or remedies that may be available to the MPSEDC under law. f) Require the Bidder to make all such payments as may be incurred / losses borne by the MPSEDC in getting such work done through any third party as a result of any default on the part of the Bidder. Bidder agrees to compensate the MPSEDC for all such costs incurred by the MPSEDC in this regard.

4. Termination

4.1 Unless specified otherwise, MPSEDC may, terminate the Contract in whole or in part by giving the Bidder a prior and written notice of 30 days indicating its intention to terminate the Contract under the following circumstances:

i. Termination for breach

4.2 Where the MPSEDC is of the opinion that there has been such Event of Default on the part of the Bidder which would make it proper and necessary to terminate the Contract and may include failure on the part of

the Bidder to respect any of its commitments with regard to any part of its obligations under its Bid, the RFP or under the Contract.

- 4.3 Where it comes to the MPSEDC's attention that the Bidder (or the Bidder's Team) is in a position of actual conflict of interest with the interests of the MPSEDC, in relation to any of terms of the Bidder's Bid, the RFP or the Contract.
- 4.4 Where the Bidder ability to survive as an independent corporate entity is threatened or is lost owing to any reason whatsoever, including inter-alia the filing of any bankruptcy proceedings against the Bidder, any failure by the Bidder to pay any of its dues to its creditors, the institution of any winding up proceedings against the Bidder or the happening of any such events that are adverse to the commercial viability of the Bidder. In the event of the happening of any events of the above nature, the MPSEDC shall reserve the right to take any steps as are necessary, to ensure the effective transition of the project to a successor agency, and to ensure business continuity.
- 4.5 When the Bidder or any of the Bidder's personnel or the Bidder's sub-contractors or such sub-contractor's personnel have been involved in any fraudulent or corrupt practices or any other practice of similar nature.
- 4.6 If, as the result of Force Majeure, the Bidder is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days. In such cases, MPSEDC may terminate the Contract by giving the Bidder prior written notice of 15 days.

ii. Termination for Insolvency:

- 4.7 MPSEDC may at any time immediately terminate the Contract by giving written notice to the Bidder, without compensation to the Bidder, if the Bidder becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the MPSEDC. Upon such termination, MPSEDC shall reserve the right to take any steps as may be necessary, to ensure the effective transition of the project to a successor Bidder, and to ensure business continuity provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to MPSEDC.

iii. Termination due to non-performance of Resources

- 4.8 MPSEDC reserves the right to terminate the contract if performance of network not found satisfactory constantly.

iv. Termination for convenience

- 4.9 MPSEDC, may by a written notice sent to the Bidder, terminate the Contract, in whole or in part; at any time for its convenience. The notice for such termination may specify that the termination is for the MPSEDC's convenience, the extent to which the performance of the work under the Contract is terminated, and the date upon which such termination becomes effective.
- 4.10 Bidders will be paid such undisputed amounts for the work delivered as per the payment schedule and milestones achieved as defined in this RFP, on the date upon which such termination becomes effective.
- 4.11 For every order, Bidders need to take consent of MPSEDC prior to placing such orders with any OEM or third party. Once consent has been granted, MPSEDC shall accept the delivery of such product and the payment for such product shall be made accordingly in case the Termination for Convenience is invoked.

v. Rights other than termination

- 4.12 The termination hereof shall not affect any accrued right or liability of either Party nor affect the operation of the provisions of the Contract that are expressly or by implication intended to come into or continue in force on or after such termination. The termination provisions set out in this Clause are in addition to any termination rights that MPSEDC may have under RFP and are in addition to, and without prejudice to, other rights that MPSEDC may have under law and the Agreement.

vi. Consequence of Termination

- 4.13 In the event of termination of the Contract due to any cause whatsoever (whether consequent to the stipulated Term of the Agreement), MPSEDC shall be entitled to impose any such obligations and conditions and issue any clarifications as may be necessary to ensure an efficient transition and effective business continuity of the project which the Bidder shall be obliged to comply with and take all available steps to minimize loss resulting from that termination/breach, and further allow and provide all such assistance to the MPSEDC and/or the successor agency, as may be required, to take over the obligations of the erstwhile Bidder in relation to the execution/continued execution of the scope of the RFP and the Contract, even where such assistance is required to be rendered for a reasonable period that may extend beyond the Contract term/ termination hereof.
- 4.14 In the event that the termination of the agreement is due to the expiry of the Term of the Agreement a decision not to grant any (further) extension by MPSEDC, or where the termination is prior to the expiry of the

stipulated term due to the occurrence of any Event of Default on the part of the Bidder, the Bidder herein shall be obliged to provide all such assistance to the successor Bidder or any other person as may be required and as MPSEDC may specify including training, where the successor(s) is a representative/personnel of MPSEDC to enable the successor to adequately provide the Services hereunder, even where such assistance is required to be rendered for a reasonable period that may extend beyond the Term/earlier termination hereof. Without prejudice to the foregoing, upon termination (or upon expiry of the Term) of the Agreement, the Parties will comply with the Exit Management Schedule/ Plan set out in the RFP.

- 4.15 Where the termination of the Contract is prior to its stipulated term on account of a default on the part of the Bidder or due to the fact that the survival of the Bidder as an independent corporate entity is threatened/has ceased, or for any other reason, whatsoever, the MPSEDC through re-determination of the consideration payable to the Bidder by MPSEDC and Bidder or through a third party acceptable to both parties may pay the Bidder such undisputed amounts for those products that have been satisfactorily installed and commissioned and for that part of the Services which have been authorized by the MPSEDC and satisfactorily performed by the Bidder up to the date of termination. Without prejudice to any other rights, the MPSEDC may retain such amounts from the payment due and payable by the MPSEDC to the Bidder as may be required to offset any losses caused to the MPSEDC as a result of the Termination or due to any acts/omissions of the Bidder. In case of any loss or damage due to default on the part of the Bidder in performing any of its obligations with regard to executing the scope of work under the RFP and the Contract, the Bidder shall compensate the MPSEDC for any such loss, damages or other costs, incurred by the MPSEDC.
- 4.16 Nothing herein shall restrict the right of the MPSEDC to invoke the Bank Guarantee and other Guarantees furnished hereunder, enforce the Indemnity clause and pursue such other rights and/or remedies that may be available to the MPSEDC under law.
- 4.17 The termination hereof shall not affect any accrued right or liability of either Party nor affect the operation of the provisions of the Contract that are expressly or by implication intended to come into or continue in force on or after such termination.
- 4.18 Any and all payments under this clause shall be payable only after the Bidder has complied with and completed the transition and exit management as per the Exit Management Plan to the satisfaction of MPSEDC. In case of expiry of the Agreement, the last due payment shall be

payable to the Bidder after the Bidder has complied with and completed the transition and exit management as per the Exit Management Plan to the satisfaction of MPSEDC.

5. Force Majeure

- 5.1 Neither party shall be responsible to the other for any delay or failure in performance of its obligations due to any occurrence commonly known as Force Majeure which is beyond the control of any of the parties, including, but not limited to, fire, flood, explosion, acts of God or any Governmental body, public disorder, riots, embargoes, or strikes, acts of military authority, epidemics, strikes, lockouts or other labour disputes, insurrections, civil commotion, war, enemy actions, pandemic.
- 5.2 If a Force Majeure arises, the Bidder shall promptly notify MPSEDC in writing of such condition and the cause thereof within 15 days of the occurrence of the force majeure event. Unless otherwise directed by MPSEDC, the Bidder shall continue to perform his obligations under the Contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. The successful empanelled bidder shall be excused from performance of his obligations in whole or part as long as such causes, circumstances or events shall continue to prevent or delay such performance.
- 5.3 Notwithstanding anything stated in this RFP, Parties agree and acknowledge that current situation of outbreak of Covid-19 will not be considered as a force Majeure for purposes of Services under this Agreement. empanelled bidder at all time will ensure to deliver its services as per the Scope of Work. 6. Change Order

- 6.1 MPSEDC may at any time order the Bidder through Notice, to make changes within the general scope of the Contract with relation to the products and services to be provided by the Bidder as per scope of work of this RFP.
- 6.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Bidder's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery and Completion Schedule, or both, and the Contract

shall accordingly be amended. Any claims by the Bidder for adjustment under this clause must be asserted within thirty (30) days from the date of the Bidder's receipt of the MPSEDC's change order.

- 6.3 The provisions of the Contract shall apply to revised work / change order as if the revised work / Change order has been included in the original Scope of work. However, the Contract value shall increase / decrease and the schedule shall be adjusted on account of the revised work / Change orders as may be discussed and agreed in terms of provisions set forth in previous clauses of Change Order. The Bidder's obligations with respect to such revised work / change order shall remain in accordance with the Contract.

7. Suspension of Work

- 7.1 Bidder shall, if ordered in writing by the MPSEDC/ its Representative, temporarily suspend the performance of any services or provision of any product or any part thereof for such specified/ ordered period and time. MPSEDC shall inform the Bidder about such suspension at least 15 days in advance. Bidder shall not be entitled to claim compensation for any loss or damage sustained by him by reason of such temporary suspension of the services for a continuous period of 30 days. MPSEDC may consider suitable compensation to the Bidder in the event of suspension extending beyond the continuous period of 30 days. An extension of time for completion, corresponding with the delay caused by any such suspension of the works as aforesaid shall be granted to the Bidder, if written request for the same is made and that the suspension was not consequent to any default or failure on the part of the Bidder. In case the suspension of works, is not consequent to any default or failure on the part of the Bidder and lasts for a period of more than 3 months, the Bidder shall have the option to request the MPSEDC to pay reasonable mobilization and immobilization charges as consented by MPSEDC.
- 7.2 In the event MPSEDC suspends the progress of work for a period in excess of 30 days in aggregate, rendering the Bidder to extend the Bidder's Performance Guarantee then MPSEDC shall bear only the cost of extension of such bank guarantee for such extended period restricted to the normal bank rates as applicable in the banking procedures subject to the Bidder producing the requisite evidence from the concerned bank.

8. Exit Management Plan

- 8.1 An Exit Management plan shall be furnished by Bidder in writing to the MPSEDC within 90 days from the date of signing the Contract and

revised and approved (by MPSEDC) prior to 2 months from expiry of Operations & Maintenance phase, which shall deal with at least the following aspects of exit management in relation to the Contract as a whole and in relation to the Project Implementation, and Service Level monitoring.

Total in words					

Note:

1. MPSEDC will not pay any additional Charges for monitoring of installed equipment which includes NMS and hardware, the bidder has to install their NMS at MPSWAN Premises.
2. Prices should be inclusive of freight & duties etc. except GST.
3. Applicable GST will be paid as actuals at the time of billing.
4. L1 as the lowest rate will be considered for entire **“Table-A”**.
5. The grand total of Column (Z) of Table-A will be considered for determining L1 bidder; however, the unit rates quoted in Column (Y), would be the applicable L1 rates for Empanelment. This shall be irrespective of the rates higher or lower unit rates quoted by other bidders eligible for Empanelment.

6. The Quantity mentioned in Column (X) above is indicative, which is purely based on estimates and is considered for bid evaluation purpose to arrive at L1 rates only. The bidder shall not regard the volume specified in the Column (X) as a commitment from MPSEDC. The figures are bound to change based on various circumstances as per requirements. The payment to the bidder would be made on actual quantity deployed as per the empanelled rates.
7. If the connectivity is provisioned through OFC(Overhead/underground), then the base rate quoted for distance 'up to 1 Km' for particular bandwidth would be considered on Pro-rata basis for actual distance. However, if the quoted rate of next distance slab is lower than this arrived cost, then the lowest of two will be considered for calculating Per Unit Charges for Supply, Installation & Commissioning.
8. For measuring the RF connectivity distance between POP and horizontal offices, aerial distance would be considered and for measuring the OFC connectivity distance between POP and horizontal offices multiplication factor Of 1.25 would be considered with the aerial distance.
9. Aerial distance between POP and horizontal offices plotted/measured by the MPSEDC GIS team would be considered.
10. In the condition of RF links amount quoted in financial bid of the particular category would be considered for payments.
11. Links provided at POP will be connected on existing routers of POP and the reports will be generated from POP routers. There is no separate requirement of routers at POP.
12. Feasibility of the link shall be assessed and agreed upon by MPSEDC before placing the order.
13. MPSEDC will not pay any additional service charges and all the charges must be quoted in the above Table-A and Table-B.
14. The quantity of the equipment/hardware OR the number of horizontal offices to be connected may increase or decrease based on the actual requirement. Payment shall be made as per the actual quantity defined in work order.

15. Empanelled bidders should deploy a technical resource as single point of contact (SPOC) at MPSWAN Network Monitoring Centre (NMC) for establishment of links and day to day monitoring.
16. The separate bin for faults tickets in MPSWAN NMS shall be provided to Bidder for managing and monitoring the fault tickets rectification/ resolution time and Bidder shall submit the fault ticket reports with details like RCA, dependency etc. along with invoice on QGR basis.
17. In case of tie between multiple bidders for quoting the same L1 rates then bidder with the highest turnover as per eligibility criteria will be declared as the successful bidder.
18. The bidder must quote for the items mentioned in “Table-B” along with “Table-A”.
19. L1 as the lowest rate will be considered for entire “Table-B” and will be offered for the acceptance to other bidders.
20. The “Table-B” is mentioned to discover the prices; however, the order will be placed based on the actual requirement. The prices to be quoted as per the related Indian Standard (IS).
21. The distribution of work for the items mentioned in “Table-B” will be as per the distribution method given in “SECTION-IV” of this RFP.

Sub: Performance bank Guarantee for RFP for Empanelment of Service Providers for Provisioning Connectivity Services in Government offices of MP – 2.0.

Ref: RFP for Empanelment of Service Providers for Provisioning Connectivity Services in Government offices of MP – 2.0.

(Tender No: XXXX Dated: XXXXXX)

Dear Sir,
WHEREAS

M/s. (name of bidder), a company registered under the Companies Act, 1956, having its registered office at (address of the bidder), (hereinafter referred to as “our constituent”, which expression, unless excluded or repugnant to the context or meaning thereof, includes its successors and assignees), agreed to enter into a contract dated (Herein after, referred to as “Contract”) with you (Madhya Pradesh Electronic Development Corporation (MPSEDC)) for RFP for Empanelment of Service Providers for Provisioning Connectivity Services in Government offices of MP - 2.0.

We are aware of the fact that as per the terms of the contract, M/s. (name of bidder) is required to furnish an unconditional and irrevocable bank guarantee of amount Rs 25,00,000 (Twenty Five Lakh Rupees) in favour of MPSEDC for the due performance by our constituent as per the contract and do hereby agree and undertake to pay the amount due and payable under this bank guarantee, as security against breach/ default of the said contract by our constituent.

In consideration of the fact that our constituent is our valued customer and the fact that he has entered into the said contract with you, we, (name and address of the bank), have agreed to issue this Performance Bank Guarantee. Therefore, we (name and address of the bank) hereby unconditionally and irrevocably guarantee you as under:

In the event of our constituent committing any breach/default of the said contract, and which has not been rectified by him, we hereby agree to pay you

forthwith on demand such sum/s not exceeding the sum of amount Rs 25,00,000 (Twenty Five Lac Rupees), without any demur.

Notwithstanding anything to the contrary, as contained in the said contract, we agree that your decision as to whether our constituent has made any such default(s) / breach(es), as aforesaid and the amount or amounts to which you are entitled by reasons thereof, subject to the terms and conditions of the said contract, will be binding on us and we shall not be entitled to ask you to establish your claim or claims under this Performance Bank Guarantee, but will pay the same forthwith on your demand without any protest or demur.

This PBG shall be remaining valid during the entire engagement period and additional six months subject to the terms and conditions in the said Contract.

We further agree that the termination of the said agreement, for reasons solely attributable to our constituent, virtually empowers you to demand for the payment of the above said amount under this guarantee and we would honour the same without demur.

We hereby expressly waive all our rights to pursue legal remedies against MPSEDC and other Concerned Government Departments of Madhya Pradesh.

We the guarantor, as primary obligor and not merely surety or guarantor of collection, do hereby irrevocably and unconditionally give our guarantee and undertake to pay any amount you may claim (by one or more claims) up to but not exceeding the amount mentioned aforesaid during the period from and including the date of issue of this guarantee through the period.

We specifically confirm that no proof of any amount due to you under the contract is required to be provided to us in connection with any demand by you for payment under this guarantee other than your written demand.

Any notice by way of demand or otherwise hereunder may be sent by special courier, telex, fax, registered post or other electronic media to our address, as aforesaid and if sent by post, it shall be deemed to have been provided to us after the expiry of 48 hours from the time it is posted.

If it is necessary to extend this guarantee on account of any reason whatsoever, we undertake to extend the period of this guarantee on the request of our constituent upon intimation to you.

This Performance Bank Guarantee shall not be affected by any change in the constitution of our constituent nor shall it be affected by any change in our constitution or by any amalgamation or absorption thereof or therewith or reconstruction or winding up, but will ensure to your benefit and be available to and be enforceable by you during the period from and including the date of issue of this guarantee through the period.

Notwithstanding anything contained hereinabove, our liability under this Performance Guarantee is restricted to amount of Rs 25,00,000 (Twenty Five Lac Rupees), and shall continue to exist, subject to the terms and conditions contained herein, unless a written claim is lodged on us on or before the aforesaid date of expiry of this guarantee.

We hereby confirm that we have the power/s to issue this Guarantee in your favour under the Memorandum and Articles of Association/ Constitution of our bank and the undersigned is/are the recipient of authority by express delegation of power/s and has/have full power/s to execute this guarantee under the Power of Attorney issued by the bank in your favour.

We further agree that the exercise of any of your rights against our constituent to enforce or forbear to enforce or any other indulgence or facility, extended to our constituent to carry out the contractual obligations as per the said Contract, would not release our liability under this guarantee and that your right against us shall remain in full force and effect, notwithstanding any arrangement that may be entered into between you and our constituent, during the entire currency of this guarantee.

Notwithstanding anything contained herein, our liability under this Performance Bank Guarantee shall not exceed amount INR Rs 25,00,000 (Twenty-Five Lac Rupees). The PBG shall be remain valid during the entire contract period and additional six months. We are liable to pay the guaranteed amount or part thereof under this Performance Bank Guarantee only if we receive a written claim or demand on or before (Date) from start of contract period for Empanelment of Service Providers for Provisioning Connectivity Services in Government offices of MP – 2.0.

Any payment made hereunder shall be free and clear of and without deduction for or on account of taxes, levies, imports, charges, duties, fees, deductions or withholding of any nature imposts.

This Performance Bank Guarantee must be returned to the bank upon its expiry. If the bank does not receive the Performance Bank Guarantee within the above mentioned period, subject to the terms and conditions contained herein, it shall be deemed to be automatically cancelled.

This guarantee shall be governed by and construed in accordance with the Indian Laws and we hereby submit to the exclusive jurisdiction of courts of Justice in Bhopal (M.P) for the purpose of any suit or action or other proceedings arising out of this guarantee or the subject matter hereof brought by you may not be enforced in or by such count.

Dated this Day 2024.

Yours faithfully,

For and on behalf of the

Bank,
