**RailTel has been conferred with the Dun & Bradstreet Award 2022 in the Telecommunication & Information Technology (Central PSUs) category**

**‘This is the third time when RailTel has been conferred with this prestigious Award which speaks volume about our commitment towards providing best in class services’ :  
Shri Sanjai Kumar/ CMD, RailTel**

\*\*\*\*

RailTel, a Miniratna Central Government PSU under Ministry of Railways has been awarded with the **Dun & Bradstreet Award 2022 in the Telecommunication & Information Technology (Central PSUs) category**. Dun & Bradstreet is a leading global provider of B2B data, insights, and analytics for over 180 years. The award was announced in the ‘PSU and Government Summit 2022’ at New Delhi. This award has been instituted with a view to acknowledge RailTel’s contribution in the Telecommunication and Information Technology field and high standard of service delivery.

Speaking about the award, Shri Sanjai Kumar, CMD /RailTel said “This is the **third time** when RailTel has been conferred with this prestigious Award which speaks volume about our commitment towards providing best in class services. Recognitions like this only motivates us further to keep on bringing excellence in our work and live up to the standard set.’

----

#### **About RailTel**

RailTel a "Mini Ratna (Category-I)" Central Public Sector Enterprise, is one of the largest neutral telecom infrastructure providers in the country owning a Pan-India optic fiber network covering several towns & cities and rural areas of the country. Along with a strong a reliable network of more than 61000 RKM of Optic fibr, RailTel has two tier III data centers as well. With its Pan India high-capacity network, RailTel is working towards creating a knowledge society at various fronts and has been selected for implementation of various mission-mode projects for the Government of India in the telecom field. RailTel offers a bundle of services like, MPLS-VPN, Telepresence, Leased line, Tower Co-location, Data center services etc. RailTel is also working with the Indian Railways to transform railway stations into digital hub by providing public Wi-Fi at railway stations across the country.
