Union Minister for Finance & Corporate Affairs Smt. Nirmala Sitharaman & Chief Minister of Gujarat Shri Bhupendra Patel inaugurated a major exhibition show with the theme 'Nation Building and Central Public Sector Enterprises (CPSEs) today on 9 June 2022 at Mahatma Mandir, Gandhinagar, Gujarat.

This exhibition has been organised by the Department of Public Enterprises (DPE), Ministry of Finance, Government of India with the support of Central Public Sector Enterprises (CPSEs) and in association with Standing Conference of Public Enterprises (SCOPE). It is being organised under Azadi ka Amrit Mahotsav (AKAM), an initiative of the Government of India to celebrate and commemorate 75 years of independence. The exhibition will be open to public from 10th to 12th June.

The exhibition is showcasing contributions of CPSEs towards self-reliant nation. RailTel, a Mini Ratna CPSE under Ministry of Railways is participating in this exhibition by putting up a stall where its services and projects have been depicted. The projects depicted include: Station Wi-Fi project, Hospital Management information system, Railway Display Network and Video Surveillance System.

It is also displaying its expertise and services namely : E-Office, HD video Conferencing services, Data Centre Services, Security Operations Centre, RailWire Broadband, Leased Line, Virtual Private Network, Internet leased Line, Consultancy

रेलटेल कॉर्पोरेशन ऑफ इंडिया लिमिटेड ( भारत सरकार का उपक्रम )

Services, Signalling Services, Rack and Space Collection, Tower Colocation, NLD for Voice Carriage and Aadhaar based Services. The highlight of the stall is to showcase contribution of RailTel in Nation building. RailTel has provided free Wi-Fi internet facility at almost all Railway Station of Indian Railways. RailTel is providing broadband facility in rural areas. RailTel is also participating in the Prime Minister Wi-Fi Access Network Interface (PM-WANI) project of providing public Wi-Fi system. RailTel is also assisting in the setting up of common service centres at Railway Stations for the benefit of the public visiting Railway Station. Besides Railway, Railtel is providing services in coal, defence and education sectors.

Smt. Aruna Singh, Chairman & Managing Director and Sh. Sanjai Kumar, Director (Network Planning & Marketing) of RailTel were among those present at the inaugural event. Later they visited the RailTel stall. Both the officers also attended a CEO-Roundtable for deliberating on 'Role of CPSEs for a self-reliant India' which was held alongside the exhibition.

RailTel will also participate in workshops being organised on the side-lines on varied issues such as CSR etc.

#### **About RailTel:**

RailTel, a "Mini Ratna (Category-I)" Central Public Sector Enterprise under Ministry of Railways, is one of the largest neutral telecom infrastructure providers in the country owning a Pan-India optic fiber network covering several towns & cities and rural areas of the country. Along with a strong & reliable network of 61000+ RKM of Optic fibre, RailTel has two MeitY empaneled tier III data centers as well. With its Pan India high-capacity network, RailTel is working towards creating a knowledge society at various fronts and has been selected for implementation of various mission-mode projects for the Government of India in the telecom field. RailTel offers a bundle of services like, MPLSVPN, Telepresence, leased line, Tower Co-location, Data center services etc. RailTel is also working with the Indian Railways to transform railway stations into digital hub by providing public Wi-Fi at railway stations across the country and 6100+ stations are live with RailTel's RailWire Wi-Fi.
