RailTel Celebrates International Women's Day 2024

RailTel, a Mini Ratna PSU under the Ministry of Railways, celebrated International Women's Day with grandeur and fervor. On the eve of Women's Day, an interactive session with all women employees, management and senior officials were organized at corporate office and all regional offices. The session was chaired by Sh. Sanjai Kumar, CMD/RailTel and was joined by Director/POM, CVO, PEDs, GGMs and senior officials across RailTel. Inspiring stories of women achievements and ways to uplift the less fortunate women around us were discussed which focusses on the need of working hand in hand to create an inclusive world together.

This Women's Day, RailTel went beyond recognizing the achievement of women employees of RailTel and organized a virtual meet of women leaders of partner companies. This meet was Chaired by Sh. Manoj Tandon, Director/POM, and was joined by Director/NPM, CVO, PEDs, GGMs and a number of women leaders of partner companies. They shared their positive experience with RailTel which was very encouraging and morale booster for team RailTel

International Women's Day is celebrated on March 8 every year to highlight issues concerning women's rights and equality. The aim of this day is to not only highlight women's issues but also to encourage and unite everyone in advocating for gender equality. This year, the theme of International Women's Day 2024 is 'Inspire Inclusion,' which is to encourage more participation of women in every spheres of life.

About RailTel:

RailTel, a "Mini Ratna (Category-I)" Central Public Sector Enterprise under Ministry of Railways, is one of the largest neutral telecom infrastructure & ICT Solutions & Services providers in the country, owning a Pan-India optic fiber network covering several towns & cities and rural areas of the country. Along with a strong a reliable network of 61000+ RKM of Optic fibre, RailTel has two MeitY empaneled tier III data centers as well. With its Pan India high capacity network, RailTel is working towards creating a knowledge society at various fronts and has been selected for implementation of various mission mode projects for the Government of India in the telecom field. RailTel offers a bundle of services like, MPLS VPN, Telepresence, leased line, Tower Co-location, Data center services etc. RailTel is also working with the Indian Railways to transform railway stations into digital hub by providing public Wi-Fi at railway stations across the country and 6108 stations are live with RailTel's RailWire Wi-Fi.
