PRESS RELEASE

RailTel puts up an impressive stall at India Mobile Congress 2023 (IMC-2023)

The stall attracted many visitors including officials from Ministry of Railway, other Ministries, industry stalwarts and general public.

RailTel was also the Official Wi-Fi partner of IMC 2023

RailTel presented a remarkable booth at the India Mobile Congress 2023 (IMC-2023) which took place from October 27-29, 2023, at Pragati Maidan, New Delhi. IMC-2023, Asia's premier digital event, was co-hosted by the Department of Telecommunications (DoT), Government of India, and the Cellular Operators Association of India (COAI). The event was inaugurated by the Honorable Prime Minister of India, Shri Narendra Modi.

RailTel was the official Wi-Fi partner of the event and provided free Wi-Fi to massive number of visitors of this event.

In its stall RailTel showcased its various services like Data Centre, Cyber Security, Digital Services, Railway Signalling and Telecommunication, RailWire broadband and many more. Senior officials of various ministries, industry stalwarts and general public visited the stall and many queries and interactions were generated. The stall highlighted the role of RailTel in digital transformation of Indian Railways

About RailTel:

RailTel, a "Mini Ratna (Category-I)" Central Public Sector Enterprise under Ministry of Railways, is one of the largest neutral telecom infrastructure & ICT Solutions & Services providers in the country, owning a Pan-India optic fiber network covering several towns & cities and rural areas of the country. Along with a strong a reliable network of 61000+ RKM of Optic fibre, RailTel has two MeitY empaneled tier III data centers as well. With its Pan India high-capacity network, RailTel is working towards creating a knowledge society at various fronts and has been selected for implementation of various mission-mode projects for the Government of India in the telecom field. RailTel offers a bundle of services like, MPLS VPN, Telepresence, leased line, Tower Co-location, Data center services etc. RailTel is also working with the Indian Railways to transform railway stations into digital hub by providing public Wi-Fi at railway stations across the country and 6108 stations are live with RailTel's RailWire Wi-Fi.
