Press Release

Hon'ble Vice President of India presented the SCOPE Eminence Award to RailTel

RailTel won the award in Institutional Excellence (Miniratna I&II) category

Hon'ble Vice President of India Sh. Jagdeep Dhankhar presented the SCOPE Eminence Award to RailTel. The company won the award in Institutional Excellence (Miniratna I & II) Category for overall outstanding performance during the year 19-20. The award was presented in a grand ceremony held today at Vigyan Bhavan, New Delhi. The SCOPE awardees were selected by a panel of eminent jury under the Chairmanship of Justice T.S. Thakur, former Chief Justice of India. The award selection process was based on rigorous criteria established to evaluate the comprehensive performance of the company across essential parameters such as financial standing, business operations, customer relations, corporate social responsibility etc.

Talking about the award, Sh. Sanjai Kumar, CMD/RailTel, said 'The RailTel family is deeply honored to receive the prestigious SCOPE award from Sh. Jagdeep Dhankhar, the Hon'ble Vice President of India. Our heartfelt gratitude goes to SCOPE and the distinguished members of the jury for acknowledging the relentless efforts and commitment demonstrated by the entire RailTel team. A special expression of thanks is extended to all our stakeholders for their steadfast support. The credit of the award goes to the RailTel family and this recognition serves as a motivating force, inspiring us to extend our limits and propel RailTel to greater heights, all the while contributing significantly to the digital advancement of our nation.'

RailTel, a miniratna Public Sector Undertaking (PSU) under the Ministry of Railways, stands as one of the most reliable providers of Telecom, IT, ICT, and Signalling services in the country. Remarkably, RailTel is among the very few profit-making and dividend-paying telecom PSUs. RailTel is a listed company with a market cap of Rs.11,600+ Crore. Beyond financial success, RailTel has played a pivotal role in bridging the Digital Divide, transforming 6108 railway stations into hubs of Digital Inclusion through the provision of cutting-edge public Wi-Fi services. RailTel has also provided Integrated Telecom Solutions & Carrier Class Cyber Security Solutions at Pragati Maidan for G20 summit.

Functioning as the Digital transformation partner for Indian Railways, RailTel has undertaken various significant digital projects, including implementation of NIC e-Office, Hospital Management Information System, and IP-based Video Surveillance for Railway passenger security. The organization's commitment to innovation and technological advancement is evident in its role as a trusted network service provider for crucial sectors such as Coal, Banking, and Defence. This contribution plays a vital role in connecting Bharat and fostering the nation's digital growth. RailTel's multifaceted achievements underscore its
