Press Release

RailTel receives order for providing lease line connectivity at Immigration Centres across India.

The order valued at Rs. 38.95 Crores. (Incl. Tax) has been received from National Informatics Centre Services Inc. (NICSI), a Govt. of India Enterprise under NIC.

It will facilitate seamless Immigration services under the Immigration, Visa, Foreigner's Registration and Tracking (IVFRT) project.

**We are glad to be a partner in the implementation of this project which is one of the Mission Mode Projects undertaken by the Ministry of Home Affairs, Govt. of India under the National e-Governance Plan (NeGP):
Shri Sanjai Kumar, CMD RailTel**

RailTel Corporation of India, a Mini Ratna PSU under Ministry of Railways has received a work order for Point-to-Point lease line connectivity of 4 Mbps at 19 number of Immigration Centres across India from the NIC Centres for seamless Immigration services under the Immigration, Visa, Foreigner's Registration and Tracking (IVFRT) project. This order has been received from National Informatics Centre Services Inc. (NICSI), a Govt. of India Enterprise under NIC. The value of this work order value for one year is Rs. 38.95 Cr. Approx. (Incl. Tax). All link connectivity is to be established in a timeframe of one year period. The scope of work includes Installation, Testing and commissioning of the connectivity.

This current order is in addition to a previous work order issued by NICSI for lease line connectivity. RailTel is already providing lease line connectivity services at 47 number of immigration/ Foreigners Regional Registration Offices (FRROs), centres.

IVFRT project aims to Modernize and upgrade the Immigration services. The core objective of this Project is to develop and implement a secure and integrated service delivery framework that facilitates legitimate travelers while strengthening security.

These immigration centres are located at Airport(s), Land Check Post, Sea Port (s) and connectivity at these locations are to be provided on Optical fibre Cable network.

Talking about it, Shri Sanjai Kumar, Chairman & Managing Director said, "The current order is in tune with the core competence of RailTel. With this project, one can enjoy seamless, effective, and efficient online immigration services for one's travel to India. We are glad to be a partner in the implementation of this project which is one of the Mission Mode Projects
