## RailTel Cricket Team Participated 61<sup>st</sup> All India Railway Cricket Championship

*The RailTel Cricket Team*

RailTel Cricket team participated in 61<sup>th</sup> All India Railway Cricket Championship for Men from 29<sup>th</sup> Feb 2016 to 10<sup>th</sup> March 2016 at Patiala. The RailTel team performed really well in tournament and got total 8 points in the Championship and secured 6<sup>th</sup> place in the points table. The RailTel team began its Journey by a Record win against Rail Coach Factory- Kapurthala in its very first match. They not only bowled out the opponent team - Rail Coach Factory (Kapurthala) – in only 23 overs but also finished the match within 20 overs by successfully chasing the target of 102 runs.

It was a tremendous all round performance by RailTel team which helped it achieve the exceptional feat of first ever victory by a Rail PSU in 61 Years History of All India Railway Championship. Unfortunately due to wash out of two matches caused by rain RailTel missed the 4<sup>th</sup> position in point table .

What is more commendable achievement for the RailTel team that neither the RailTel players were regular cricketer nor they had proper boot camp training for this kind of tournament. Still the team gave a tough competition to all the teams whose line up had players from Sports quota. Even playing against the teams of players who had experience of playing Ranji trophy and IPL as well RailTel team left their mark.
